For more information, contact Stephanie at 734-761-3186 ext.110 or [stephanie@ecocenter.org](mailto:stephanie@ecocenter.org)

## Speech & Book Signing

### Free and Open to the Public

*Donations to the Ecology Center are welcome.*

- *Energy Autonomy: The Economic, Social and Technological Case for Renewable Energy* will be on sale at the book signing.

- *"As politicians and decision makers scramble to develop solutions to climate change, Hermann provides a clear and proven blueprint to protect the environment and power a prosperous twenty-first century economy."*—  
**David Suzuki**

**Hermann Scheer** is a member of the German Bundestag (Parliament) and President of EUROSOLAR, the European Association for Renewable Energy and the General Chairman of the World Council for Renewable Energy. Dr Scheer has received numerous awards, including the World Solar Prize and the Alternative Nobel Prize.

**Ecology Center** is a Michigan-based environmental organization that works for a safe and healthy environment where people live, work, and play. Among its many campaigns, the Ecology Center works to stop global warming by promoting a national fuel efficiency policy, a Michigan renewable energy mandate, and an ambitious clean energy program in Ann Arbor.
