

# Michigan Public Safety Broadband

Lt. Colonel Gary M. Gorski, Michigan State Police

FirstNet and The State of Michigan  
Initial Consultation Meeting  
September 1, 2015

# Public Safety Communications Interoperability

*Interoperability is the capability to communicate and share information among local, regional, state and federal agencies.*

## Michigan's Public Safety Communications Interoperability Board (MPSCIB)

- Identified as the Statewide Interoperability Governing Body in Michigan and developed sustainable funding strategies to achieve Michigan's interoperability vision.
- The 16 member board includes 9 members appointed by the Governor
- Members represent 7 different disciplines

# Public Safety Communications Interoperability

Col. Kristie Etue

# Michigan's Game Plan

## Service to Citizens

### *From unplanned emergencies...*

The Blackout

1-96 Pile Up

Floods

Wildfires

Riots

Enbridge Oil Spill

- Increased/Enhanced interoperability for first responders
- Shared Services and Consolidation.
- Savings across government by reducing:
  - Parallel infrastructure
  - Multiple disparate radios
  - Operating costs
  - Hardware and software costs
  - Maintenance costs

### *... to planned events*

MIS - NASCAR

All Star Game

Super Bowl

NCAA Tournament

# Michigan is Unique

Highlighting the need for interoperability:

- **9.91** Million People
- **41.5%** of Michigan is water
- **19,000,00** acres forest covered
- International Boundary is **721** miles long
- **12,659,396** vehicle passengers
- **2,371,352** Trucks
- **379,061** Bus Passengers

# Today's Agenda

8:30	Welcoming Remarks	David Behen Lt. Col. Gary Gorski
9:00	Group Photo	
9:15	FirstNet Board Address	Teri Takai
