Unless an Eligible Family signs this form, prior to occupancy of any 811PRA Assisted Unit by an Eligible Family, the Eligible Family must be given the opportunity to be present for the move-in unit inspection. The inspection of the Assisted Unit would be completed by both the Owner and the Eligible Family and both shall certify, on a form prescribed or approved by MSHDA that they have inspected the Assisted Unit and have determined it to be Decent, Safe, and Sanitary condition in accordance with the criteria provided in the form. The Owner shall keep a copy of this inspection and make part of the lease as an attachment to the lease. If the Eligible Family waives the right to this inspection, this would be signed by the Eligible Family indicating they have waived this right and maintained in the tenant file.

This form does not release the Owner from their obligations under § PRA.406 (c): The Owner shall perform unit inspections of the Assisted Units on at least an annual basis to determine whether the appliances and equipment in the unit are functioning properly and to assess whether a component needs to be replaced or repaired. This will ensure that the Owner is meeting its obligation to maintain the Assisted Units in Decent, Safe, and Sanitary condition.
