PHA Plan Elements

1. Eligibility, Selection and Admissions Policies including Deconcentration and Wait List Procedures

Eligibility:

MSHDA verifies eligibility for the Housing Choice Voucher program by requiring proof of social security number, proof of birth, and income using third party verification. Criminal screening for criminal and drug-related activity as required by regulation is conducted using the Michigan Department of State Police (MSP) Internet Criminal History Access Tool (ICHAT), the MSP Sex Offender Registry (SOR), the Michigan Department of Corrections Offender Tracking Information System (OTIS), and the Dru Sjodin National Sex Offender website.

Admission Policies:

Upon approval of this PHA Plan, MSHDA will continue to utilize the homeless preference for awarding vouchers within its Housing Choice Voucher allocation. The homeless preference allocation will be available in all 83 counties. Pulls will be made from the appropriate county waiting list based on the vacancy in that county. MSHDA has established the following order of homeless preferences for admission in the numerical order below:

1. Homeless persons who reside or work in the county
2. Applicants who reside or work in the county who are not homeless

The homeless preference eligibility will be verified at the time of placement on the waiting list and residency will be verified before receiving assistance.

Project Based Vouchers and special programs; e.g. Mainstream, will continue to have separate waiting lists.

Project-Based Voucher Program Preferences

Admission preferences for project-based vouchers are homeless, chronically homeless, homeless youth, domestic violence survivors, and special needs. All have equal weight for waiting list pull but the admission preference for the development is based on the target population served.

Special Program Preferences

1. Veterans Administration Supportive Housing (VASH) Program where vouchers are awarded in partnership with VA Detroit Medical Center, Aleda E. Lutz VA Medical Center in Saginaw, and Oscar G. Johnson VA Medical Center in Iron Mountain.

Admission preference for special programs such as VASH and Mainstream, will be determined by the requirements of the special program.

Waiting List Procedures:

Separate waiting lists are established for all 83 Michigan counties for Housing Choice Vouchers. At the present time, waiting lists are established using a computer-generated lottery method in large metropolitan counties when the waiting lists are opened for the HCV assistance and by date and time of application in smaller counties with continually open waiting lists. It is anticipated during the FY 2012-13 that a new on-line application process will be implemented.

There are separate waiting lists for each Project-Based Voucher development in the counties where those vouchers are assigned. Project-Based Voucher waiting lists are continually open.

VASH vouchers are awarded to households following HUD regulations and are considered a special admission based on a referral from the assigned Veterans Administration/Medical Center. Therefore, names on the waiting list for VASH vouchers are determined and managed by the Veterans Administration through its case managers assigned to Detroit Medical Center, the Aleda E. Lutz VA Medical Center in Saginaw, Oscar G. Johnson Medical Center in Iron Mountain, or other specified Veteran Administration Medical Centers through which VASH vouchers are assigned to MSHDA.

Mainstream applicant referrals are made only for the counties assigned these vouchers (Allegan, Kalamazoo, and Oakland). Mainstream voucher waiting lists are continually open.

Applicants may be on more than one waiting list within a single county; i.e., waiting list for HCV and a specific project-based voucher development.

As MSHDA has no public housing, there are no public housing site-based waiting lists.

Income Targeting:

MSHDA exceeds the federal income targeting requirements by establishing the following: 85% of new admissions must have annual adjusted incomes at or below 30% Area Median Income (AMI) and up to 15% of new admissions may have annual adjusted incomes at or below 50% of AMI.

Deconcentration:

There are no public housing developments covered by the deconcentration rule in the MSHDA Housing Choice Voucher program.

3) Rent Determinations

Effective August 1, 2011, MSHDA changed the Minimum TTP from \$0 to \$50 as stated in the FY 2011-12 PHA Plan. Upon analysis, if the MSHDA HCV budget is favorable during the FY 2012-13 PHA Plan year, the Minimum TTP may be reduced back to \$0.

Payment standards have been established at above 90% but at or below 110% of Fair Market Rent (FMR). Current payment standards are evaluated when HUD releases the annual FMR's in October of each year. A determination will be made by the PHA at that time if an adjustment to the current payment standard level needs to be made prior to approval of the next PHA Plan submission; however, the payment standards would remain between 90% and 110% of FMR.

4) Operation and Management

The PHA does not operate public housing; therefore, this section is not applicable.

5) Grievance Procedures

assistance. The Review is performed by a staff person at the MSHDA Regional Manager level or above who did not make or approve the decision under review. An informal hearing would be provided to an applicant who was denied assistance due to citizenship or eligible immigrant status. Informal Hearings are provided to participants who are terminated from the program if a written request is received within ten days from the date of the notice of termination. Informal Hearings are conducted by Administrative Law Judges as assigned through the Michigan Administrative Hearing System (MAHS).

If an applicant is denied assistance or a participant is terminated from the program due to their criminal history, a copy of the criminal history is provided to the individual.

13) Implementation of the Violence Against Women Act (VAWA) of 2005

The Office of Housing Voucher Programs (OHVP) at the Michigan State Housing Development Authority (MSHDA) is committed to the implementation of the VAWA of 2005. MSHDA will continue to undertake actions to meet this requirement in the administration of the Housing Choice Voucher (HCV) Program.

MSHDA's contracted Housing Agents participate in local Continuum of Care meetings and use those contacts and others known to them through the Family Self-Sufficiency Program to assist survivors of domestic violence (including dating violence, sexual assault, or stalking) and their children when cases are made known to them. Many of the agencies participating in the Continuum of Care groups provide temporary housing/shelter to survivors of domestic violence and their children. MSHDA staff and Housing Agents work with the partnering Continuum of Care service agencies to make sure the family is able to maintain their housing assistance.

Further, the following steps for compliance have been implemented:

- A. Staff was initially informed of this legislation and the necessary requirements in 2006 and since that time, additional information has been provided to staff when required during monthly staff meetings.
- B. Information on this legislation has been provided to contract Housing Agents during annual informational meetings.
- C. All new admissions to the MSHDA HCV Program are being notified of their rights under VAWA during their initial briefing.
- D. All participants of the HCV Program are being notified of their rights under VAWA by inclusion of information with their annual recertification paperwork.
- E. Many of MSHDA's contracted Housing Agents participate in local Continuum of Care meetings and use those contacts to assist survivors of domestic violence (including dating violence, sexual assault, or stalking) and their children when cases are made known to them.
- F. Many of the agencies participating in the Continuum of Care bodies attended by our contracted Housing Agents provide temporary housing/shelter to survivors of domestic violence and their children.
- G. MSHDA contracted Housing Agents will also be partnering with members of Homeless Assessment and Resource Agencies (HARA) Community Teams to find resources for domestic violence survivors and their children.
