Are you, or someone you know, in danger of losing your home? If so, there is **FREE** help available to Michigan's hardest hit homeowners.

Metro Detroit, Wayne, Oakland and Macomb County residents are invited to attend the Step Forward Michigan program and Tax Foreclosure Housing Fair from 10am–2pm on Saturday, June 15, 2013 at the Chosen Generations Community Center, 2328 East 7 Mile Road, Detroit, MI 48234. MSHDA certified Homeownership Counselors will be on hand to assist.

Step Forward Michigan offers up to \$30,000 to pay a homeowner's delinquent taxes, mortgage assistance and/or condo association dues. The targeted assistance is aimed at helping those who have been hit hardest by the economic downturn. The key is to make sure assistance gets to those in need—quickly, effectively and fairly—and to keep individuals and families in their homes. *So have hope, but get help.*
