

Chapter 2

ELIGIBILITY FOR ADMISSION

[24 CFR Part 5, Subparts B, D & E; Part 982, Subpart E]

INTRODUCTION

This Chapter defines both HUD and the PHA's criteria for admission and denial of admission to the program. The policy of this PHA is to strive for objectivity and consistency in applying these criteria to evaluate the eligibility of families who apply. The PHA staff will review all information provided by the family carefully and without regard to factors other than those defined in this Chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by the PHA pertaining to their eligibility.

A. ELIGIBILITY FACTORS [982.201(b)]

The PHA accepts applications only from families whose head or spouse is at least 18 years of age **or emancipated minors under State law**.

To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional criteria established by the PHA.

The HUD eligibility criteria are:

An applicant must be a "family"

An applicant must be within the appropriate Income Limits

An applicant must furnish Social Security Numbers for all family members age six and older

An applicant must furnish declaration of Citizenship or Eligible Immigrant Status and verification where required

At least one member of the applicant family must be either a U.S. citizen or have eligible immigration status before the PHA may provide any financial assistance.

Reasons for denial of admission are addressed in the "Denial or Termination of Assistance" chapter. These reasons for denial constitute additional admission criteria.

The Family's initial eligibility for placement on the waiting list will be made in accordance with the eligibility factors.

Evidence of Citizenship/Eligible Immigrant Status will not be verified until the family is selected from the waiting list for final eligibility processing for issuance of a Voucher, unless the PHA determines that such eligibility is in question, whether or not the family is at or near the top of the waiting list.

B. FAMILY COMPOSITION [24 CFR 982.201(c)]

The applicant must qualify as a Family. A Family may be a single person or a group of persons.

A "family" includes a family with or without a child or children. A group of persons consisting of two or more elderly persons or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides is a family. The PHA determines if any other group of persons qualifies as a "family".

A single person family may be:

An elderly person

A displaced person

A person with a disability

Individuals may not be considered disabled for eligibility purposes solely on the basis of any drug or alcohol dependence.

Any other single person

A child who is temporarily away from home because of placement in foster care is considered a member of the family. This provision only pertains to the foster child's temporary absence from the home, and is not intended to artificially enlarge the space available for other family members.

A family also includes:

Any household combination whose combined adjusted income and resources do not exceed the federal poverty income limits published by HUD.

Two or more elderly or disabled persons living together, or one or more elderly, near elderly or disabled persons living with one or more live-in aides is a family.

Head of Household

The head of household is the **adult** member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law. **Emancipated minors who qualify under State law will be recognized as head of household.**

Spouse of Head

Spouse means the husband or wife of the head.

For proper application of the Non-citizens Rule, the definition of spouse is: the marriage partner who, in order to dissolve the relationship, would have to be divorced. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

Co-Head

An individual in the household who is equally responsible for the lease with the Head of Household. A family may have a spouse or co-head, but not both. A co-head never qualifies as a dependent.

Live-in Attendants

A Family may include a live-in aide provided that such live-in aide:

Is determined by the PHA to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities,

Is not obligated for the support of the person(s), and

Would not be living in the unit except to provide care for the person(s).

A live-in aide is treated differently than family members:

Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.

Live-in aides are not subject to Non-Citizen Rule requirements.

Live-in aides may not be considered as a remaining member of the tenant family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

A Live in Aide may only reside in the unit with the approval of the PHA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near-elderly (50-61) or disabled.

The PHA will approve a live-in aide if needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability. Approval of a live-in aide for reasonable accommodation will be in accordance with CFR 24 Part 8 and the reasonable accommodations section in Chapter 1 of this administrative plan.

Verification must include the hours the care will be provided.

[24 CFR 982.316] At any time, the PHA will refuse to approve a particular person as a live-in aide or may withdraw such approval if:

The person commits fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;

The person commits drug-related criminal activity or violent criminal activity; or

The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

Split Households Prior to Voucher Issuance

When a family on the waiting list splits into two otherwise eligible families due to divorce or legal separation, and the new families both claim the same placement on the waiting list, and there is no court determination, the PHA will make the decision taking into consideration the following factors:

Which family unit retains the children or any disabled or elderly members.

Role of domestic violence in the split.

Recommendations of social service agencies or qualified professionals such as children's protective services.

Documentation of these factors is the responsibility of the applicant families. If either or both of the families do not provide the documentation, they may be denied placement on the waiting list for failure to supply information requested by the PHA.

In cases where domestic violence played a role, the PHA will require evidence that the family has been displaced as a result of fleeing violence in the home. Families are also eligible for this preference if there is proof that the family is currently living in a situation where they are being subjected to or victimized by violence in the home.

Multiple Families in the Same Household

When families apply which consist of two families living together, (such as a mother and father, and a daughter with her own husband or children), if they apply as a family unit, they will be treated as a family unit.

Joint Custody of Children

Children who are subject to a joint custody agreement but live with one parent at least 51% of the time will be considered members of the household. "51% of the time" is defined as 183 days of the year, which do not have to run consecutively.

When both parents are on the Waiting List and both are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

C. INCOME LIMITATIONS [24 CFR 982.201(b), 982.353]

To be eligible for assistance:

85% of all new admissions must have an **Adjusted** Annual Income at the time of admission **at or below the lesser of 30% of area median income established by HUD; and up to 15% of all new admissions must be at or below 50% of area median income established by HUD.**

To be income eligible the family may be under the low-income limit in any of the following categories: [24 CFR 982.201(b)]

An extremely low income family (**adjusted income at 30% of area median income or below**).

A low-income family that is continuously assisted under the 1937 Housing Act. An applicant is continuously assisted if the family has received assistance under any 1937 Housing Act program within **120** days of voucher issuance. Programs include any housing federally assisted under the 1937 Housing Act.

A low-income family physically displaced by rental rehabilitation activity under 24 CFR part 511.

A low-income non-purchasing family residing in a HOPE 1 or HOPE 2 project.

A low-income non-purchasing family residing in a project subject to a home-ownership program under 24 CFR 248.173.

A low-income family or moderate income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract under 24 CFR 248.165.

A low-income family that qualifies for Voucher assistance as a non-purchasing family residing in a project subject to a resident home ownership program.

To determine if the family is income-eligible, the PHA compares the Annual Income of the family to the applicable income limit for the family's size.

Families whose Annual Income exceeds the income limit will be denied admission and offered an informal review.

The applicable income limit used for initial issuance of a voucher is the highest income limit within the PHA's jurisdiction.

Portability: At admission (initial lease up), families who wish to exercise portability to another PHA's jurisdiction when pulled from the waiting list must:

Be within the applicable income limit for both the PHA and the receiving PHA in which they want to live; **and**,

The head of household or spouse resided in Michigan at the time of application. (If the head of household or spouse did not live in Michigan at the time of application to the waiting list, they must receive assistance from the PHA for at least twelve months on a HAP Contract before exercising portability rights.)

If the applicant has a reasonable accommodation due to a disability (not matter what the payment standard) the applicant may port if the above standard has been met.

D. MANDATORY SOCIAL SECURITY NUMBERS [24 CFR 5.216, 5.218]

Families are required to provide verification of Social Security Numbers for all family members age 6 and older prior to admission, if they have been issued a number by the Social Security Administration. This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of social security numbers is grounds for denial or termination of assistance.

Persons who have not been issued a Social Security Number must sign a certification that they have never been issued a Social Security Number.

Persons who disclose their Social Security Number but cannot provide verification must sign a certification and provide verification within 60 days. Elderly persons must provide verification within 120 days.

E. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS [24 CFR Part 5, Subpart E]

In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Individuals who are neither, may elect not to contend their status. Eligible immigrants are persons who are in one of the immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

Mixed Families. A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

All members ineligible. Applicant families that include no eligible members are ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Non-citizen students. Defined by HUD in the non-citizen regulations at 24 CFR 5.522. Not eligible for assistance.

Appeals. For this eligibility requirement only, the applicant is entitled to a hearing exactly like those provided for participants.

F. OTHER CRITERIA FOR ADMISSIONS [24 CFR 982.552(b)]

A family will not be admitted to the program if any member of the family has been evicted from federally assisted housing for serious violation of the lease within the **past** year.

A family will be denied admission to the program if any member of the family fails to sign and submit consent forms for obtaining information required by the PHA, including Form HUD-9886.

MSHDA will apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program:

The family must pay any outstanding debt owed MSHDA or another PHA or sign a repayment agreement as a result of prior participation in any federal housing program within fourteen (14) calendar days of MSHDA's notice to repay.

The family must be in good standing regarding any current payment agreement made with another PHA for a previous debt incurred, before this MSHDA will allow participation in its Section 8 program.

If any applicant deliberately misrepresents the information on which eligibility or tenant rent is established, MSHDA may deny assistance and may refer the family file/record to the proper authorities for appropriate disposition.

G. TENANT SCREENING [24 CFR 982.307)]

The PHA will take into consideration any of the criteria for admission described in the "Denial or Termination of Assistance" chapter.

The PHA **will not** screen family behavior or suitability for tenancy. The PHA will not be liable or responsible to the owner or other persons for the family's behavior or the family's conduct in tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA will inform the owner that screening and selection for tenancy is the responsibility of the owner. The owner is responsible for screening families based on their tenancy histories, including such factors as:[24 CFR 982.307(a)(3)]

Payment of rent and utility bills

Caring for a unit and premises

Respecting the rights of other residents to the peaceful enjoyment of their housing

Drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others; and

Compliance with other essential conditions of tenancy.

The PHA will give the owner:

The family's current and prior address as shown in the PHA's records; and

The name and address (if known by the PHA) of the landlord at the family's current and prior address.

The same types of information will be supplied to all owners.

The PHA will advise families how to file a complaint if they have been discriminated against by an owner. The PHA will advise the family to make a Fair Housing complaint. The PHA may also report the owner to HUD (Fair Housing/Equal Opportunity) or the local Fair Housing Organization.

H. CHANGES IN ELIGIBILITY PRIOR TO EFFECTIVE DATE OF THE CONTRACT

Changes that occur during the period between issuance of a voucher and lease up may affect the family's eligibility or share of the rental payment.

I. INELIGIBLE FAMILIES

Families who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review, or an informal hearing if they were denied due to non-citizen status. See "Complaints and Appeals" chapter for additional information about reviews and hearings.

J. PROHIBITED ADMISSIONS CRITERIA [982.202(b)]

Admission to the program may not be based on where the family lives before admission to the program.

Admission to the program may not be based on:

Where a family lives prior to admission to the program.

Where the family will live with assistance under the program.

Discrimination because members of the family are unwed parents, recipients of public assistance, or children born out of wedlock.

Discrimination because a family includes children.

Whether a family decides to participate in a Family Self-Sufficiency program; or

Other reasons as listed in the "Statement of Policies and Objectives" chapter under the Fair Housing and Reasonable Accommodations sections.
