

## INCOME LIMITS

For current **Income Limits**, go to <http://www.huduser.org/datasets/il.html>, click on current FY Income Limits, scroll down and click on the state of MI.

These income charts are published by HUD and show the 30%, 50%, and 80% AMI limits. Additional breakpoints at 40%, 60%, 70%, 100% and 120% AMI will be calculated by OCD using statistical methodology consistent with HUD's calculations and can be found on OPAL.

Should you have any questions about these issues, please refer to Policy Bulletin #16 or contact your Community Development Specialist.
