Agenda Item: Did You Know? Booster topic was chosen
Discussion: Robert Gwizdz is working on the content for Did You Know that will play in September
Action: Suggestions were made for proper use pictures from the NHTSA site and Robert will send out draft to team for approval once he is done with the content.

Agenda Item: Summit Topic Ideas
Discussion: We need to come up with two ideas for the Traffic Safety Summit in March.
Action: Suggestions from group: Marium Manary and Janet Fornari's presentation from the CPS conference was great and would be a good one for the summit. Laura Rowen told group about new EMS restraint that will roll out to all EMS agencies this year, Quantum CR4. Might be a good update to the TSS also. Having a session on Community Service Troopers and what they do/special programs was also suggested. The form for suggestions can be found here:

Agenda Item: 2015 Crash Data Publications
Discussion: The Crash Data site is being updated with publications based on last year's data
Action: Jen brought the publication list and we discussed having someone come and speak to the group about how to use the site efficiently.

Agenda Item: DHHS received the award for core funding for 5 years.
Discussion: Laura updated the group on the funding specifics
Action: Grant will launch August 1st, DHHHS will hire a grant manager. The CPS/motor vehicle safety portion of the grant will concentrate on recruiting bilingual people to become CPST's.

Member Updates: There will be an RFP for the CPST CEU course that happens the day before the Traffic Safety Summit, Alyson will let us know when it is posted. Interviews are happening currently to identify who will manager the DHS/CPS instructor team and coordinate the trainings. A group will be meeting this afternoon from OPAT to update the Strategic Highway Safety Plan due at the end of the month.

Future Meeting Dates:

Tuesday, October 11th Location TBD
