Do you have a new Criminal History Record Information (CHRI) Representative for your Agency who needs training? Maybe the position has been filled for some time and no training has been provided. In any case, we encourage you to consider attending the MSP Criminal Justice Information Compliance Audit Training.

The Michigan State Police (MSP) Security and Access Section is hosting a three and a half-hour Noncriminal Justice Agency (NCJA) Compliance Audit Training. To ensure the security, confidentiality, and integrity of CHRI, training provides guidance on applicable federal and state laws, regulations, and policy regarding access, storage, use, dissemination, and destruction of CHRI.

There are only fifteen (15) seats available on a first-come, first-served basis.
