

## NG9-1-1 STAKEHOLDER ENGAGEMENT SESSION ANNOUNCEMENT

There will be a second meeting held for interested parties for your input, questions, concerns, and ideas regarding the Kimball NG9-1-1 report and recommendations for Michigan. Your attendance and participation as Michigan's 9-1-1 community is encouraged. The feedback from this meeting will be used (along with the other information given during the process of building the Kimball report) to develop the NG-911 project plan for Michigan.

*To facilitate discussion, Kimball will do a short presentation at each meeting followed by a question/answer and comment session in order to aid Kimball in gathering further information and answering questions.*

The full Kimball report and recommendations for Michigan NG9-1-1 is available on the State 9-1-1 Committee's (SNC) web site at: [www.michigan.gov/snc](http://www.michigan.gov/snc). (The PowerPoint presentation that was given by Kimball to the SNC at its December 8, 2009 meeting is also on the web site.)
