

In February 2008, the Western Wayne Auto Theft Unit (WWATU) began an investigation regarding fraudulent claims for auto glass repairs submitted by a repair facility to State Farm Insurance. The claims amounted to \$270,000. On 12/4/08, WWATU detectives arrested the suspect, a 43-year-old male resident of South Lyon, on a warrant charging the subject with 21 counts of Insurance Fraud and 1 count of Obtaining Money under False Pretenses. The prosecutor is requesting restitution for State Farm.
