

2015 TAC Courts Training Schedule

The Michigan State Police, LEIN Audit Unit is now accepting registrations for **2015 LEIN Terminal Agency Coordinator (TAC) for Courts** classes. LEIN policy requires all agencies having direct access to LEIN designate a TAC. Direct access to LEIN includes any ability to conduct a transaction against LEIN/NCIC databases, through a desktop computer, mobile data computer, in-car laptop, APRS, SOR application, etc.

The LEIN TAC class is mandatory for all new TACs, or existing TACs who have not attended TAC training in the last two years. The TAC for Court training is designed primarily for court users. There is no cost for this training. Class times are 9:00 a.m. to 4:30 p.m., with registration beginning at 8:00 a.m. Lunch is not provided.

Registration is to be completed via the MI-Train website at <http://mi.train.org>. **Course ID is 1054316**. If you have not already used this site, you must create an account, entering all of the required information. Sign-in to MI-Train and search for "LEIN TAC". Select the course, click on the Registration Tab, and provide your agency's ORI in the space provided, and click the Register button for the appropriate session. Certificates will be obtained via the MI-Train website following successful completion of an exam taken during the class.
