

Michigan State Police Training Academy

Training Announcement

Protecting Missing Children with Special Needs

The Michigan State Police (MSP) is hosting two three-hour training seminars to prepare law enforcement officers and first responders with essential strategies for understanding and responding effectively and safely to situations that involve individuals with autism and other disabilities. This train the trainer session will provide students a full curriculum to implement and increase their department's critical knowledge of autism and provide practical tips for use in the field. This training is presented by MSP, The National Center for Missing and Exploited Children, and Autism Speaks.
