The newest version of the FBI CJIS Security Policy (SP) was released October 2015. For printable and electronic copies, please visit the following link:

Changes made to Appendix J have influenced the way the SAS audits Noncriminal Justice Agencies (NCJA). Therefore, beginning July 2016 all audits will now include the additional audit policy area(s):

- 5.4 Auditing and Accountability
- 5.9 Physical Protection

While Appendix J provides for the minimum standards, the SP is applicable in its entirety. Applicability is dependent on individual NCJA security and management controls.
