Check-in: Stone and Irving Street Parking lot

Citizen Foot Patrols

We ask the citizens supporting the effort be in the area and help support the selected neighborhood by doing the following:

- 1) Wear attire representing your organization and carry any kind of flashlight. Flashlights will also be available to use during the event.
- 2) Contact area residents and encourage them to turn on their lights and be aware of surroundings.
- 3) Report any suspicious or illegal activity in the area to Community Service Officer or Troopers by cell phone for immediate attention on the issue.
 - a. Officer Jonathon Beyerlein 989-737-5448
 - b. Trooper Joe McMillan 989-948-0682
- 4) Encourage communication in the neighborhood by being visible and speaking with area residents.

Turn on your porch light and together we will symbolize a movement in Saginaw, one that encourages a renewed commitment to stand together to address violent crime, employment, economy, education and housing.
