

SECURITY BACKGROUND CHECK REQUEST

A criminal history background check conducted using the Internet Criminal History Access Tool (ICHAT) indicates the possibility of an outstanding warrant for the person listed below.

Pursuant to MCL 338.1068, a name check is being requested to confirm the existence of any outstanding warrants for this person. A person who has an outstanding warrant may not qualify for employment as a private security guard or as an employee of a burglar alarm company.

Part I: Background Information

Specify the following background information for the person whose name appeared in ICHAT.

Name of Individual (First, Middle, Last, Suffix)		Date
Social Security Number	Date of Birth	Driver License or Personal ID Number
Company Name and Address		

LAW ENFORCEMENT AGENCY USE ONLY

Part II: Inquiry Results

Confirm the existence of a warrant by inquiring the individual's background information in the Law Enforcement Information Network (LEIN) and check the appropriate box below.

<input type="checkbox"/> Warrant – The individual had a wanted person entry in LEIN at the time of inquiry.
<input type="checkbox"/> No Warrant – The individual DID NOT have a wanted person entry in LEIN at the time of inquiry.

Note: A response of "No Warrant" from the inquiry is not a positive fact that the individual is not a wanted person. Pending investigations, entry of pending warrants and other factors could result in a positive response in the future.

Part III: Agency Stamp

The agency running the inquiry in LEIN must stamp its information in the box below.
