LEARNING STATEMENT

While working on "ABC's of Michigan- Many Ways of Learning,"
I learned...

I learned many things from "ABC's of Michigan Many Ways of Learning", this year. I learned many different ways of using water colors. I learned how to make the colors look different and have different textures. You can also use salt and feathers to make the colors look good. I also learned how to fold paper into a book. That's what I learned from the many ways of learning.

School District Coopersville Area Public
Grade 7th

Teacher's Name Mrs. Mary Miller
Art Teacher's Name Mrs. Mary Miller

LEARNING STATEMENT

While working on "ABC's of Michigan- Many Ways of Learning,"
I learned...

How to make the Book it was easy at some points & hard. We had to cut out two of every thing, so we can make one for us and the mansion. We put two cardboard on one piece of paper & glue it down. Then cover it up with a smaller piece of paper, then we take the long paper and fold it like a fan, we glue it down. And that is how you can make a ABC book

Grade 7th

Teacher's Name Mrs. Mary Miller
Art Teacher's Name Mrs. Mary Miller

LEARNING STATEMENT

While working on "ABC's of Michigan- Many Ways of Learning,"
I learned...

That many techniques
can either make a nice
watercolor or a bad water-
color. Also one mistake
in folding the pages
can ruin the whole
project.

LEARNING STATEMENT

While working on "ABC's of Michigan- Many Ways of Learning,"
I learned...

Handwritten: I learned how to use water colors
by using a water palette. This was my
first time us water colors on a project.
I have never know how to make that
look like until my teacher, Mrs. Miller taught
me how of my favorite thing. I did
project for school. I did what I
felt it was good. I did it with
I hope you like my book.
