Lead Agency Instructions:

1. You do not have to ask for proof of income. Each participant must have a total household income of at or below 185% of poverty. (Shaded area on chart). If there are two adults over the age of 60 in a qualifying household, both may get coupon books.

2. If a participant is 60 or over, but lives with younger family members who exceed the 185%, you may choose to consider only the older adults income to qualify for the program.
3. The income requirement is already met if they use SNAP (Bridge Card) benefits, live in subsidized housing, participate in the Commodities food program, or are a PACE participant. Otherwise, please show the chart, and ask them to sign the application if they meet the income guidelines.
4. For Senior Project FRESH/Market FRESH, income refers to any money the participant receives on a regular basis, such as salary from a job, real estate payments (rental property, land contracts) pension/annuity or social security. The client does not need to factor in assets. They should not subtract out medical payments or other payments they currently make.
