

INTERLOCAL AGREEMENT

BETWEEN

**THE BOARD OF REGENTS OF
EASTERN MICHIGAN UNIVERSITY**

AND THE

SCHOOL DISTRICT FOR THE CITY OF DETROIT

CREATING THE

EDUCATION ACHIEVEMENT AUTHORITY
(a Michigan public body corporate)

The following recitals are made regarding this interlocal agreement between the Board of Regents of Eastern Michigan University (“University”) and the School District for the City of Detroit (“District”):

The People of the State of Michigan mandate the encouragement of schools and the means of education and require the maintenance of a system of free public elementary and secondary schools through Sections 1 and 2 of Article VIII of the State Constitution of 1963.

The State of Michigan and its political subdivisions have been authorized by the People of the State of Michigan to enter into agreements for the performance, financing, and execution of governmental functions through Section 5 of Article III of the State Constitution of 1963.

The People of the State of Michigan, through Section 28 of Article VII of the State Constitution of 1963, have required the Michigan Legislature to authorize two or more counties, townships, cities, villages, or districts to, among other things: (1) enter into contracts, including with the State, for the joint administration of functions or powers; (2) share costs and responsibilities; (3) transfer functions or responsibilities; (4) cooperate; and (5) lend their credit in connection with any publicly owned undertaking.

The Michigan Legislature has implemented Section 5 of Article III of the State Constitution of 1963 and Section 28 of Article VII of the State Constitution of 1963 by enacting the Urban Cooperation Act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512 (“Act”). Under the Act, a public agency may jointly exercise with any other public agency any power, privilege, or authority that the agencies share in common and that each might exercise separately. An agreement between one or more public agencies under the Act may provide for a separate legal or administrative entity, which must be a public body corporate or politic, to administer or execute the agreement.

The University and the District are both a “public agency” as that term is defined under the Act. The University and the District both possess the power, privilege, and authority under State law to perform various public educational services related to the establishment, control, and operation of public elementary and secondary schools. Each seeks to cooperate with the other to further coordinate, enhance, and improve the delivery of public educational services by entering into this interlocal agreement.

The Governor of the State of Michigan has recently delivered a special message to the Michigan Legislature under Section 17 of Article V of the State Constitution of 1963 indicating that one of Michigan’s most pressing responsibilities is ensuring that students are prepared to enter the work force and to take advantage of new opportunities as our economy grows. Because schools must position children to compete globally in a knowledge-based economy, Michigan’s public education system must be reshaped so that students learn at high levels, think and act at high levels, demonstrate high performance, meet the highest expectations, and are fully prepared to enter the work force or attend college.

Because innovation, flexibility, transparency, and intergovernmental cooperation in the delivery of public educational services can maximize the encouragement of schools and the

means of education, it is the intent of the University and the District, at the request of the Governor, to utilize existing constitutional and statutory law to establish a mechanism for providing improved public educational services more efficiently and effectively and in a transparent manner. The University and the District intend to achieve their goal by creating a separate legal entity named the Education Achievement Authority (“Authority”). Under this interlocal agreement, the University and the District agree that the Authority will administer or execute the joint powers, duties, functions, responsibilities, and authority possessed by the District and the University as necessary to provide innovative, flexible, transparent, safe, efficient, and effective public educational services.

Accordingly, the University and the District agree to the following terms and conditions:
