PARKS AND RECREATION RENEWAL PROPOSITION

Shall the previously voted increase in the 15-mill tax limitation upon the total amount of general ad valorem taxes imposed upon real and tangible personal property for all purposes in any one year under Michigan law for the Township of Park, Ottawa County, Michigan, be renewed at one-half mill (fifty cents ($.50) of each One Thousand ($1,000) Dollars of the Taxable Value of all taxable property) for a period of ten (10) years beginning in the 2008 calendar year and ending December 31, 2017, for the purpose of providing funds for the purchase and/or lease of land for parks, recreation and/or open space/greenway purposes and funds for the operation, maintenance, repair, renovation, rebuilding, and/or improvement of Township-owned or leased land, buildings and/or other improvements used for parks and/or recreation purposes; and shall the Township levy such renewal in millage for said purposes? If approved and levied in its entirety in the first calendar year of authorization, this millage would raise an estimated $435,550.

OPERATING MILLAGE PROPOSAL

This proposal will allow the school district to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Jenison Public Schools, Ottawa County, Michigan, be increased by 18 mills ($18.00 on each $1,000.00 of taxable valuation) for a period of 5 years, 2008 to 2012, inclusive, to provide funds for operating purposes (17.8434 mills of the above is a renewal of millage which expired with the 2007 tax levy and .1566 mill is a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963); the estimate of the revenue the school district will collect if the millage is approved and levied in 2008 is approximately $3,206,221?
