Citizens for Good Government  
12143 Fort Custer Drive

Dear Messrs. Bell and Longfield:

The Department of State (Department) received a formal complaint filed by Scott Arnett against Citizens for Good Government, alleging that you violated section 47(1) of the Michigan Campaign Finance Act (MCFA), 1976 PA 388, MCL 169.247(1), by failing to include a complete and correct identification statement on certain campaign signs. A copy of Mr. Arnett's complaint is provided as an enclosure with this letter.

The MCFA and corresponding administrative rules require a person who produces printed material that relates to an election to include the phrase "Paid for by [name and address of the person who paid for the item]." MCL 169.247(1), R 169.36(2). A knowing violation constitutes a misdemeanor offense punishable by a fine of up to \$1,000.00, imprisonment for up to 93 days, or both. MCL 169.247(5).

In support of his complaint, Mr. Arnett provided a picture of a sign which states "BELL FOR SUPERVISOR CHARLESTON TOWNSHIP [.]". It appears that the paid for by statement on the sign omits your committee's address.

The purpose of this letter is to inform you of the Department's examination of these matters and your right to respond to the allegations before the Department proceeds further. It is important to understand that the Department is neither making this complaint nor accepting the allegations as true.

**If you wish to file a written response to this complaint, you are required to do so within 15 business days of the date of this letter. Please include any evidence that reflects any corrective measures you have taken to bring your campaign material into compliance with the MCFA.** Your response may include any written statement or additional documentary evidence you wish to submit. All materials must be sent to the Department of State, Bureau of Elections, Richard H. Austin Building, 1<sup>st</sup> Floor, 430 West Allegan Street, Lansing, Michigan 48918. If you fail to submit a response, the Department will render a decision based on the evidence furnished by the complainant.

A copy of your reply will be provided to Mr. Arnett, who will have an opportunity to submit a rebuttal statement to the Department. After reviewing all of the statements and materials

provided by the parties, the Department will determine whether “there may be reason to believe that a violation of [the MCFA] has occurred [.]” MCL 169.215(10). Note that the Department’s enforcement powers include the possibility of entering a conciliation agreement, conducting an administrative hearing, or referring this matter to the Attorney General for enforcement of the criminal penalty provided in section 47(5) of the Act.

If you have any questions concerning this matter, you may contact me at (517) 241-0395.

Dear Ms. Bourbonais,

I am writing in response to your August 28, 2012 letter regarding a complaint filed against my campaign committee, Citizens for Good Government, in the recent primary election. The independent committee was created on June 28, 2012 and filed on the appropriate form CFR103 with Kalamazoo County Clerk Timothy Snow.

This being my first personal experience with political campaign signs, I was aware there had to be identification of the finance source on the signs, but was not aware that an address had to be included. All of the information was provided on the Statement of Organization (CFR103) filed with the County Clerks office and readily available to any inquiry.

This was an innocent mistake on my part and not a "Knowing Violation" as referenced in your letter. I request that any possible penalties be waived for the unintentional mistake. Enclosed are copies of your August 28<sup>th</sup> letter, the CFR103 filing form and a photocopy of my campaign sign containing an address sticker, as you suggested, to correct the problem.

Sincerely,

Francis W. Bell

Dear Mr. Bell:

The Department of State (Department) has completed its investigation of a complaint filed against you by Scott Arnett, which alleged that you violated section 47(1) of the Michigan Campaign Finance Act (MCFA or Act), 1976 PA 388, MCL 169.247(1), by failing to include a complete and correct identification statement on your campaign signs. This letter concerns the disposition of Mr. Arnett's complaint.

The MCFA and corresponding administrative rules require a person who produces printed material that relates to an election to include the phrase "Paid for by [name and address of the person who paid for the item]." MCL 169.247(1), R 169.36(2). A knowing violation constitutes a misdemeanor offense punishable by a fine of up to \$1,000.00, imprisonment for up to 93 days, or both. MCL 169.247(5).

The Act also requires the Department to "endeavor to correct the violation or prevent a further violation by using informal methods [.]" if it finds that "there may be reason to believe that a violation ... has occurred [.]". MCL 169.215(10). The objective of an informal resolution is "to correct the violation or prevent a further violation [.]". Id.

The complaint was filed by Mr. Arnett on August 6, 2012, and you filed a written response on September 12, 2012. Mr. Arnett did not file a rebuttal statement.

Mr. Arnett alleged that your "[p]rinted materials do not have required disclosure." Mr. Arnett provided as evidence a picture of a campaign sign which states "FRAN BELL FOR SUPERVISOR CHARLESTON TOWNSHIP [.]". It appears that the paid-for-by statement on the sign omits your committee's address.

In response, you filed a letter which stated that "being [your] first personal experience with political campaign signs, [you] were aware there had to be identification of the finance source on the signs, but [were] not aware that an address had to be included." You also state that this was "an innocent mistake and not a '[k]nowing [v]iolation' [.]". You provided a picture of a sign to show that you added the committee's address to your signs.

While the Department believes that the evidence tends to show that your campaign material failed to contain a complete paid-for-by statement, section 15(10) of the MCFA requires the

Department to “endeavor to correct the violation or prevent a further violation by using informal methods such as a conference, conciliation, or persuasion [.]” The Department is satisfied that you took appropriate corrective measures to bring your campaign material into compliance with the MCFA.

Additionally, the Department is advising you that section 47(1) and R 169.36(2) require you to print a complete and accurate identification statement on all campaign materials, consisting of the phrase “paid for by” followed by the full name and address of your committee. Note that all printed materials that refer to an election or your candidacy produced in the future must include this identification statement.

Please be advised that this notice has served to remind you of your obligation under the Act to identify your printed matter, and may be used in future proceedings as evidence that tends to establish a knowing violation of the Act. A knowing violation is a misdemeanor offense and may merit referral to the Attorney General for enforcement action. MCL 169.247(5), 215(10).

The Department now considers this matter closed and will take no further action against you at this time.

Sincerely,

Lori Bourbonais  
Bureau of Elections  
Michigan Department of State
