

## DRIVER EDUCATION MATERIALS ORDER FORM

**Instructions:** This order form may only be used by certified driver education providers. Please fill in all of the requested information including your provider certificate number. Orders without a provider certificate number will not be processed.

All orders for driver education materials are shipped via UPS and delivered only to the provider's business office address (the address that appears on the school's provider certificate). UPS requires a signature when delivering shipments. If no one is available to accept delivery, it is your responsibility to pick up the shipment at your local UPS office.

Please fax all order forms to the Department of State's Inventory Services Section at (517) 373-1475.
