DEPARTMENT OF STATE  
LANSING

MEMORANDUM

DATE: October 28, 2011  
TO: Teen Driver Education Providers  
FROM: Driver Programs Division, Driver Education Section  
SUBJECT: Segment 2 Knowledge Test

In the spring of this year, the Segment 2 knowledge test pool of questions was field tested with the assistance of eleven providers. Similar to the Segment 1 field testing which occurred in 2010, all questions were reviewed, some revised, and the results were analyzed. We are now implementing the new test.

On November 14, 2011, the Segment 2 pool of questions will be updated. The Segment 2 Risk Awareness Fact Sheets have been updated as well. Classes offered utilizing tests printed on or after November 14<sup>th</sup> must use the November 2011 Risk Awareness Fact Sheets.

Enclosed is one copy of the Fact Sheets. They are also available on the driver education web site, [www.michigan.gov/sos](http://www.michigan.gov/sos) and will be attached to the email being sent to teen providers with this memo.

You are not required to print new tests at this time. As indicated last fall, any test printed on or after November 1, 2010 may be used for up to one year. You may continue to use your current Segment 2 tests, but once they have reached their one year shelf life, discard them, and print new tests and Fact Sheets.

Contact the Driver Education Section at [drivered@michigan.gov](mailto:drivered@michigan.gov) or (517) 241-6850 if you have any questions.
