Notice to officer:

Complete this form when any alcohol test is given to a motorboat operator, including when a voluntary blood or urine test is pending, or in special cases involving an unconscious person where a search warrant has been issued.

Input arrest data into the LEIN Alcohol File (F Breath Screen).
(Enter into LEIN even if licensed out of state).

I am a peace officer. You are under arrest for the offense of: *(Read only the charge that applies)*

- Operating a motorboat while under the influence of an alcoholic liquor or a controlled substance or both, or with an alcohol content of 0.08 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine.
- Operating a motorboat while visibly impaired due to the consumption of an alcoholic liquor or a controlled substance or both.
- Operating a motorboat with any presence of schedule 1 drugs or cocaine.
- Causing the death of another while operating a motorboat while under the influence of an alcoholic liquor or a controlled substance or both, or with an unlawful bodily alcohol content.
- Causing a serious impairment of a body function of another while operating a motorboat while under the influence of an alcoholic liquor or a controlled substance or both, or with an unlawful bodily alcohol content.
- Murder resulting from the operation of a motorboat.
- Manslaughter resulting from the operation of a motorboat.
- Negligent Homicide resulting from the operation of a motorboat.
- Operating a motorboat while less than 21 years of age while having any bodily alcohol content.
- Endangerment (Operating under the influence or while visibly impaired with person under age of 16.)

I will be requesting that you take a chemical test to determine the alcohol content and/or presence of a controlled substance in your body. IF YOU WERE ASKED TO TAKE OR TOOK A PRELIMINARY BREATH TEST PRIOR TO YOUR ARREST, YOU MUST STILL TAKE THE TEST I AM ABOUT TO OFFER YOU.

CHEMICAL TEST RIGHTS

Read the rights that follow in their entirety.

If you refuse to take this chemical test, it will not be given without a court order, but I may seek to obtain such a court order. Your refusal to take this test shall result in the suspension of your motorboat operating privilege.

After taking my chemical test, you have a right to demand that a person of your own choosing administer a breath, blood, or urine test. You will be given a reasonable opportunity for such a test. You are responsible for obtaining a chemical analysis of a test sample taken by a person of your own choosing.

The results of both chemical tests shall be admissible in a judicial proceeding, and will be considered with other admissible evidence in determining your innocence or guilt.

Will you take a: (Select the appropriate test from the following list)

Breath Test?	or	*Blood Test?	or	Urine Test?
--------------	----	--------------	----	-------------

Notice to Peace Officer: Notify the Department of State by LEIN.

*MCL 257.625c(2) provides that a person afflicted with hemophilia, diabetes, or a condition requiring the use of an anticoagulant under the direction of a physician shall not be considered to have given consent to the withdrawal of blood.
