Dear Ms. Meltzer:

The Department of State (Department) received a formal complaint filed by Nancy Duemling against you, alleging that you violated the Michigan Campaign Finance Act (MCFA or Act), 1976 PA 388, MCL 169.201 *et seq.* The investigation and resolution of this complaint is governed by section 15 of the Act and the corresponding administrative rules, R 169.51 *et seq.* A copy of the complaint and supporting documentation is enclosed with this letter.

A knowing violation of section 57 is a misdemeanor offense. MCL 169.257(4).

Ms. Duemling alleges that you improperly used public funds by circulating your nominating petitions during an official township function.

The purpose of this letter is to inform you of the Department's examination of these matters and your right to respond to the allegations before the Department proceeds further. It is important to understand that the Department is neither making this complaint nor accepting the allegations as true.

If you wish to file a written response to this complaint, you are required to do so within 15 business days of the date of this letter. Your response may include any written statement or additional documentary evidence you wish to submit. All materials must be sent to the Department of State, Bureau of Elections, Richard H. If you fail to submit a response, the Department will render a decision based on the evidence furnished by the complainant.

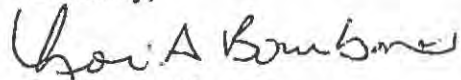

A copy of your answer will be provided to Ms. Duemling, who will have an opportunity to submit a rebuttal statement to the Department. After reviewing all of the statements and materials provided by the parties, the Department will determine whether "there may be reason to believe that a violation of [the MCFA] has occurred [.]" MCL 169.215(10). Note that the Department's enforcement powers include the possibility of entering a conciliation agreement,

Dear Ms. Bourbonais:

This is the response to the complaint filed by Nancy Duemling against Kim Meltzer, Clinton Township Clerk.

On the date of the alleged violation of the Campaign Finance Act, March 5, 2016, Ms. Meltzer and her assistant, Kim Irvine, were conducting training that was State mandated. This training took place in a facility not owned by Clinton Township. There was no rent paid for the use of the facility. The Nominating Petitions that are the subject of the complaint, were circulated by Kim Irvine, not Ms. Meltzer. Ms. Meltzer did not direct Kim Irvine to circulate the nominating Petitions. Although Ms. Meltzer was aware of the petition-gathering activity, we are advised from Ms. Irvine that she spent approximately 15 minute of time circulating the Nominating Petitions. Therefore, even if Ms. Meltzer has directed to circulate the petitions (which she certainly did not), Ms. Irvine comp time would have been \$10.00.

The nominating Petitions being gathered by Ms. Irvine were at one end of a registration table, which was 12 feet long. Ms. Meltzer, while at the opposite end of the table, was responsible for registering people for the State mandated training. Ms. Irvine also helped with the registration. No individual walked around the facility circulating the Petitions. Ms. Irvine placed the Petitions at the end of the registration table.

Ms. Meltzer did not knowingly violate MCL 169.257 on March 5, 2016.

Should you have any questions, please don't hesitate to contact me.

Very truly yours,

Peter W. Peacock

Dear Ms. Bourbonais:

I am moved to reply to the June 16, 2016 letter from attorney Peter Peacock to your office regarding my complaint filed against Clinton Township Clerk Kim Meltzer.

Does the location of the offense really matter? The training may not have been on township property and no rent may have been paid, but it was still at a public facility (Macomb Community College).

My complaint never mentioned petitions set out on a table. A male candidate was walking the line of people waiting to sign in for the training, soliciting signatures on nominating petitions. I have since seen a photograph and deduced that the man was Joseph Aragona, a candidate for Clinton Township Trustee. The line was long, and he was working it at least until I entered the training auditorium. He had his own petition as well as one for Ms. Meltzer.

I do not know Kim Irvine. I do not know who signed me in at the training, and did not see any petitions on the registration table. I was not asked to sign a petition at the table.

I feel that the entire tone of Mr. Peacock's letter is an attempt to minimize the truth. Election inspectors must be solicited from more than one political party, and the circulation of nominating petitions at a mandated training is inappropriate at best. Ms. Meltzer was standing at the registration table, where the actions of Mr. Aragona were no doubt visible. He began at the front of the line and worked his way to where I was standing, so it is probable that those at the table were aware of his presence. He was the one who did not want to take "no" for an answer when I refused to sign the petitions. Mr. Aragona was still working the line when I was done registering and entered the auditorium for training.

As the letter from Mr. Peacock implies I fabricated the circulation of signatures to the line, I filed a FOIA request for both the names of those in attendance on March 5, as well as the nominating petitions submitted by the Meltzer and Aragona campaigns. The FOIA request was filed on June 28. On July 6 the township extended the deadline for response to July 20, 2016.

Someone had to inform Mr. Aragona of the training site so that he could take advantage of the opportunity to secure signatures for himself and Ms. Meltzer. The fact that he was not asked to curtail his activity signified assent on the part of the Township Clerk, and Ms. Meltzer was the one in charge.

Sincerely

Nancy Duemling

RE: Complaint against Clinton Township Clerk Kim Meltzer

Dear Ms. Bourbonais:

I am now in receipt of the paperwork I filed a FOIA request to receive. I received notice that it was available via mail on July 23, and picked up the papers at the township office on July 25.

I am sending you copies of the relevant pages. These include the list of all those in attendance at the election inspector training held March 5, 2016 and the nominating petitions for both Kim Meltzer and Joseph Aragona with signatures dated March 5.

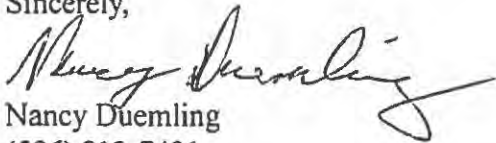

There were 206 attendees at the March 5 training. Of these, 43 signed Meltzer's petitions, and 31 signed for Joseph Aragona. Both positions require 200 signatures in order for a person to be on the ballot for the primary or general election.

All the pages for Ms. Meltzer are signed with Kim Irvine as the circulator, although Mr. Aragona was working collecting signatures on the registration line. Mr. Aragona's petitions all list him as the circulator.

In my previous letter, I mentioned not seeing the petitions on the registration table. Ms. Irvine may have been working the table at registration, but there were 3 or 4 women seated there. Ms. Meltzer was standing behind the table whenever I observed her. The line was very long and moving very slowly when I arrived. I was approximately 30 people back from the front of the line on arrival.

Ms. Meltzer was conducting the training as township clerk. Ms. Irvine was there as a public employee, and works in the clerk's office. All of us attending the training were essentially employees of the township for that day. Ms. Meltzer was our boss, and we were a captive audience.

Sincerely,

Nancy Duemling

STATE OF MICHIGAN
RUTH JOHNSON, SECRETARY OF STATE
DEPARTMENT OF STATE
LANSING

September 14, 2016

Peter Peacock
Via email: ppeacock10@gmail.com

Dear Mr. Peacock:

The Department of State (Department) has completed its initial investigation of the complaint filed against Kim Meltzer by Nancy Duemling, which alleged that Ms. Meltzer violated section 57 of the Michigan Campaign Finance Act (MCFA or Act), 1976 PA 388, MCL 169.257. This letter concerns the disposition of Ms. Duemling's complaint.

In Michigan it is unlawful for a public body or an individual acting on its behalf to use or authorize the use of "funds, personnel, office space, computer hardware or software, property, stationery, postage, vehicles, equipment, supplies, or other public resources to make a contribution or expenditure [.]" MCL 169.257(1). A knowing violation of section 57 is a misdemeanor offense. MCL 169.257(4).

The Act also requires the Department to "endeavor to correct the violation or prevent a further violation by using informal methods [.]" if it finds that there may be reason to believe that a violation has occurred, and if the Department is unable to correct or prevent additional violations, it must ask the Attorney General to prosecute if a crime has been committed. MCL 169.215(10)(a). The objective of an informal resolution is "to correct the violation or prevent a further violation [.]" *Id.*

Ms. Duemling filed her complaint on May 6, 2016, and you filed an answer to the complaint on June 23, 2016. Ms. Duemling filed a rebuttal statement on July 18, 2016 and supplemental information on July 28, 2016.

Ms. Duemling alleged that Ms. Meltzer improperly used or authorized the use of Clinton Township (Township) resources when Ms. Meltzer's nominating petitions were circulated at a training session for Township precinct election inspectors.

As evidence, Ms. Duemling provided a certified statement that she attended the training and was asked to sign Ms. Meltzer's nominating petition while at the training, a copy of the sign-in sheets for the Township's March 5, 2016 precinct election inspector training, and copies of nominating petitions for Ms. Meltzer and Joseph Aragona. Ms. Duemling alleged that of the 206 attendees at the training on March 5, 2016, 43 signed Ms. Meltzer's nominating petitions and 31 signed Mr. Aragona's petitions on that same date.

In your response you admitted that Ms. Meltzer did conduct state mandated training on March 5, 2016, and that Ms. Meltzer's assistant, Kim Irvine, did circulate Ms. Meltzer's nominating

petitions at the training by placing them at the end of the registration table. You further asserted that Ms. Meltzer did not direct Ms. Irvine to circulate petitions; however, you admitted that Ms. Meltzer was "aware of the petition-gathering activity."

In Ms. Duemling's rebuttal statement, she clarified that she did not witness Ms. Meltzer's petitions on the registration table, but, rather, she was approached by Mr. Aragona to sign Ms. Meltzer's petitions while standing in line to sign the attendance sheet at the registration table.

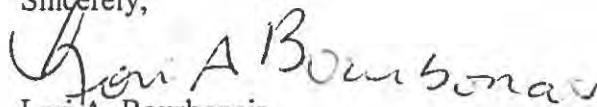

The evidence provided to the Department supports a conclusion that Ms. Meltzer's nominating petitions were circulated during the Township precinct elector inspector training on March 5, 2016. Ms. Duemling provided evidence that entire petitions sheets for Ms. Meltzer were signed by attendees of the training on the same date as the training. Additionally, Ms. Meltzer admits to being aware of the circulation of the petitions.

Because Ms. Meltzer was in charge of the training and was aware that her subordinate, Ms. Irving, was circulating Ms. Meltzer's petitions, Ms. Meltzer should have immediately required Ms. Irving (and Mr. Aragona) to cease circulating any nominating petitions at the training session. By failing to stop the circulation of her own petitions by her assistant as soon as she became aware of the activity, Ms. Meltzer authorized Township funds spent for the training session to be used to further her own nomination. Therefore, the Department finds that the evidence supports a reason to believe that Ms. Meltzer violated section 57 of the Act. Upon making this determination the Department is required by law to attempt to resolve the matter informally. MCL 169.215(10).

Please calculate the total amount of Township resources expended for the precinct election inspector training on March 5, 2016. Please provide a detailed list of all expenses, including but not limited to, a calculation for the salary and benefits for all Township employees during the time each employee was present at the training, costs for all materials used at the training, and payments made to the attendees for attending the training. Additionally, please provide the amount of time that Ms. Meltzer's petitions were available for signing, including but not limited to the time any petitions were on the registration table and presented to attendees standing in line. Please provide this information to the Department no later than September 30, 2016. The Department will use this information to facilitate an informal resolution of Ms. Duemling's complaint.

Please be advised that if the Department is unable to resolve the matter through informal methods, the Department must refer the matter to the Attorney General for enforcement of the criminal penalty provided in MCL 169.257(4). MCL 169.215(10)(a).

Sincerely,

Lori A. Bourbonais
