

## Restoring Deleted Items in the QVF Inbox

Items deleted from the QVF Inbox can now be recovered for up to 30 days and even be restored.

Deleted items will disappear from view unless the user enables the “Show Deleted Items” option. Deleted items will remain accessible to restore for 30 days from the date of deletion.

To keep deleted items longer than 30 days, select the deleted item and click “Restore”.

The screenshot displays the 'Inbox' application window. At the top, there are buttons for 'List', 'ID Card', and 'Master Card', along with 'Close' and 'Help' buttons. Below these are search filters for 'School District', 'Village District', and 'Type', all set to '(ALL)'. A search box contains the value '(46000)' and a dropdown menu shows 'MOVED FROM'. The main table has columns for 'Jurisdiction', 'Voter ID', 'Voter Name', 'Date', 'Action', and 'Deleted On'. The 'Deleted On' column is highlighted with a black box, showing a date of '01/27/2016' for several rows. Below the table, the 'Action Details' section shows 'MOVED FROM 701 DAVIS ST KALAMAZOO MI 49007 (KALAMAZOO CITY)'. At the bottom, there are buttons for 'Voter Details', 'Select All', 'Delete', 'Restore', and 'Show Deleted Items'. The 'Restore' button is circled in red.
