If the committee has never filed Campaign Statements, the opening date of the first Campaign Statement filed is the earlier of the following two dates: 1) the date the committee accepted its first contribution or made its first expenditure or 2) the committee's formation date.

## **Annual Campaign Statement**

A Political Party Committee that does not fall under one of the following exemptions must file the Annual Campaign Statement:

- A Political Party Committee that currently has a Reporting Waiver or qualifies for and obtains a Reporting Waiver on or before January 31, 2008 is not required to file the Annual Campaign Statement. (The Reporting Waiver exemption is discussed in greater detail later in this memo.)
- A Political Party Committee that filed a Post-General Campaign Statement during December 2007 is not required to file the 2008 Annual Campaign Statement.

## **Pre-Election and Post-Election Campaign Statement**

A Political Party Committee must file the Pre-Primary Campaign Statement if by July 20 the committee participates in the election by 1) making an expenditure to support or oppose a candidate whose name appears on the ballot in the August 5<sup>th</sup> primary election or 2) making an expenditure for a get-out-the-vote activity related to the election.

A Political Party Committee must file the Post-Primary Campaign Statement if between July 21 and August 25 the committee participates in the election by 1) making an expenditure to support or oppose a candidate whose name appears on the ballot in the August 5<sup>th</sup> primary election or 2) making an expenditure for a get-out-the-vote activity related to the election.

A Political Party Committee must file the Pre-General Campaign Statement if between August 26 and October 20 the committee participates in the election by 1) making an expenditure to support or oppose a candidate whose name appears on the ballot or is a write-in candidate involved in the November 4<sup>th</sup> general election 2) making an expenditure to support or oppose a ballot question on the ballot or 3) making an expenditure for a get-out-the-vote activity related to the election.

A Political Party Committee must file the Post-General Campaign Statement if between October 25 and November 24 the committee participates in the election by 1) making an expenditure to support or oppose a candidate whose name appears on the ballot or is a write-in candidate involved in the November 4<sup>th</sup> general election 2) making an expenditure to support or oppose a ballot question on the ballot or 3) making an expenditure for a get-out-the-vote activity related to the election.

## **Campaign Statement Forms**

Campaign Statement forms and instructions are available on the Department of State's website [www.michigan.gov/sos](http://www.michigan.gov/sos).

**Timely, Accurate Campaign Statements Required!**

If a Political Party Committee fails to file a required Annual Campaign Statement, a late filing fee is assessed as follows:

A \$25.00 late filing fee will be assessed each business day the Statement remains unfiled up to \$500.00.

If a Political Party Committee fails to file a required Pre-Election or Post-Election Campaign Statement, a late filing fee is assessed as follows:

If the committee raised **\$10,000.00 or less** during the previous 2 years, a \$25.00 late filing fee will be assessed each business day the Statement remains unfiled up to \$500.00

If the committee raised **more than \$10,000.00** during the previous 2 years, a late filing fee will be assessed each business day the Statement remains unfiled up to \$1,000.00

- Campaign Statements that are hand-delivered, sent by first class mail, or submitted electronically via the Internet must reach this office before 5:00 p.m. on the due date. Be sure to allow ample mailing time if sending first class.
- An Annual or Post-Election Campaign Statement filed on paper or by diskette that is mailed by registered mail, certified mail or an overnight delivery service and postmarked on or before the filing deadline will be viewed as a timely filing regardless of when it arrives.
- A Pre-Election Campaign Statement filed on paper or by diskette that is mailed by registered mail, certified mail or an overnight delivery service and postmarked two or more calendar days prior to the due date will be viewed as a timely filing regardless of when it arrives.
- Be sure to fill out all forms as accurately as possible. Notices will be sent to the committee if forms are omitted, figures are wrong, addresses are incorrect, etc. The committee is then required to file an amendment to correct the error.
- A Campaign Statement will not be accepted if it is illegible, does not bear a proper signature, is not the proper size, or is presented in a computer format that has not been approved by the Department of State's Bureau of Elections.
- If filing on paper, a single original Campaign Statement must be filed. No additional copies are needed.
- A committee that files electronically via the Internet or by diskette is not required to submit a paper copy of the Campaign Statement.
- A committee planning to file electronically must use MERTS Plus software issued by the Department of State's Bureau of Elections.

**Late Contribution Reports**

A Political Party Committee that participates in the August 5 primary and/or November 4 general election is required to file a Late Contribution Report if the committee receives a contribution of \$200.00 or more from a single contributor from July 21 through August 2, 2008 and/or October 20 through November 1, 2008.

- A Late Contribution Report must be received by this office within 48 hours after the committee's receipt of the contribution. A Late Contribution Report must contain the date and amount of the contribution along with the contributor's name, street address, occupation, employer and principal place of business. The report may be made by fax or by any other means of written communication. The fax number for the Bureau of Elections is (517) 241-4785. A Late Contribution Report does not have to contain an original signature. In addition to this report, a late contribution must be disclosed on the next Campaign Statement filed by the committee.
- Committees that are required to file Campaign Statements electronically must file Late Contribution Reports electronically. (See explanation below.)
- Late contribution reports are not waived by a Reporting Waiver. However, committees with a Reporting Waiver are not required to show late contributions on a subsequent Campaign Statement.
- A late filing fee will be assessed each business day a required Late Contribution Report is late up to \$2,000.00. The late filing fee will be assessed as follows:
  - (a) \$25.00 for each business day the report remains unfiled.
  - (b) An additional \$25.00 for each business day after the first three business days the report remains unfiled.
  - (c) An additional \$50.00 for each business day after the first 10 business days the report remains unfiled.

### **Late Contribution Reports – Electronic Filing**

In 2006 the Michigan Department of State's Bureau of Elections introduced the Immediate Disclosure Reporting or "e-IDR" program that allows committees registered with the Department of State to file Late Contribution Reports electronically. A memo which announced the new program was sent to all active committees registered with the Bureau of Elections.

All committees are encouraged to use the e-IDR program voluntarily. However, committees that are required to file electronically because they have exceeded the \$20,000.00 threshold must file Late Contribution Reports using e-IDR. Paper, email or fax copies no longer meet the filing requirements of the Michigan Campaign Finance Act; late filing fees may be assessed against reports that must be filed electronically that are not filed using e-IDR.

To file using e-IDR, go to [www.Michigan.gov/sos](http://www.Michigan.gov/sos) and click the following: "Elections in Michigan," "Campaign Finance Disclosure," "E-Filing" and then "Immediate Disclosure Reports (e-IDR)." The password used to file Campaign Statements electronically is also used to file Late Contribution Reports using e-IDR. Please bookmark this page for easy access the next time you need to file.

### **Reporting Waiver Provisions**

A committee that does not expect to receive or spend more than \$1,000.00 in a calendar year is eligible for a Reporting Waiver. A committee that qualifies for, and receives, a Reporting Waiver is exempt from filing Campaign Statements.

- To become eligible for a Reporting Waiver, the committee must check item 10 on its Statement of Organization. This tells the filing official that the committee does not expect to receive or spend more than \$1,000.00 in a calendar year. The committee can check item 10 on its original Statement of Organization or on an amendment to its Statement of Organization.
- A committee that does not check item 10 on its Statement of Organization is not eligible for a Reporting Waiver. This means that the committee must file Campaign Statements regardless of the amount received or spent during the reporting period.
- A committee loses its Reporting Waiver if it receives or spends more than \$1,000.00 in a calendar year. Note that funds leftover at the end of the year count toward the amount received for the next calendar year. If the Reporting Waiver is lost, the committee must file the next required Campaign Statement.

### **Identification Requirements**

The Michigan Campaign Finance Act requires PAC's, Ballot Question Committees and Political Party Committees to add the statement "**paid for with regulated funds**" to the identification or disclaimer included on printed matter or in paid radio or television advertisements. The following wording is recommended: "Paid for with regulated funds by (name and address of committee)."

### **Statement of Organization**

A committee registered under Michigan's Campaign Finance Act is required to amend its Statement of Organization if any information presented on the form changes including the selection of a new treasurer. Required amendments to the form must be filed no later than the due date of the next required Campaign Statement. Therefore, if your committee is required to file the January 31, 2008 Annual Campaign Statement, we urge you to review your committee's Statement of Organization before you file the Campaign Statement. If any information on the Statement of Organization has changed, be sure to file an appropriate amendment to the form no later than January 31, 2008.

Committees are, therefore, responsible for notifying the Bureau of Elections when the committee's mailing address changes. Failure to receive correspondence from the Bureau of Elections is not a defense for failing to file a required statement timely.

### **Merts Plus Software for Political Party Committees**

The following reminders are offered for Political Party Committees that must use MERTS Plus software to electronically file Campaign Statements via the Internet or by diskette. **Questions concerning use of the software should be directed to MERTS Plus Tech Support at: (703) 749-4642 or sent by e-mail to <[mertstechsupport@nicusa.com](mailto:mertstechsupport@nicusa.com)>**.

It merits note that all committees that file with the Bureau of Elections are encouraged to electronically file even if the committee does not expect to meet the \$20,000.00 receipts/expenditure threshold explained earlier.

- **Election Cycles** – Make sure the correct election cycle(s) are entered into the Election Cycles Window. For expenditures made after the November 7, 2006 general election to support or oppose candidates or issues, a new election cycle must be created for each

ballot issue. The election cycle begins on the day after the last general election and ends on the day of the general election.

- **Campaigns** – Make sure the correct campaign(s) are created in the Campaign Window for each candidate or issue supported or opposed by the committee. For expenditures made after the November 7, 2006 election to support or oppose candidates or issues, a new campaign must be created for each ballot issue. For specific dates, please refer to the Election Cycle Chart provided by the Bureau of Elections.
- **Reporting Periods** – A separate report record (with correct coverage period dates) must be created in the Reports Window for each Campaign Statement that will be electronically submitted by the committee.
- **Amendments to Campaign Statements** – An amended Campaign Statement cannot be filed until an original Campaign Statement has been electronically filed. If more than one amendment to a report has been created, each amendment must be electronically submitted in the order it was created.
