Special Note about Delayed Foreign Birth Certificates

Delayed foreign birth certificates are issued by the State of Michigan to children who were born overseas and then adopted by United States (U.S.) citizen parents who live in Michigan. The children usually enter the U.S. on an IR-3 or IR-4 immigrant visa.

After the adoption is finalized, a Michigan probate judge orders the Michigan Vital Records Office to issue the parents the delayed foreign birth certificate. The adoption order usually changes the name to the adopted parent's name. **The delayed foreign birth certificate is not proof of citizenship as it was ordered by a Michigan court for a person who was not born in the United States.**

As a state, Michigan cannot adjudicate citizenship; only the federal government has that authority. The Michigan Vital Records Agency's position is that a delayed foreign birth certificate provides a statement of the birth facts and evidence of the child's adopted name and parentage, **not his or her citizenship.**

The U.S. Child Citizenship Act of 2000 grants the children derived citizenship as long as they were adopted under age 18; however a subsequent federal law and Michigan law (MCL 28.291 and 257.307) requires all applicants for driver's license or ID to **provide evidence of their legal presence or citizenship in the U.S.**

Original license and ID applicants presenting a Delayed Foreign Birth Certificate issued by a U.S. state also need to provide:

- Social Security Card
 - Record of Adoption
 - 2 Residency Documents (parent's driver's license or ID with same address provides one document)
 - **Document providing evidence of U.S. Citizenship:**
 - U.S. passport or passport card (valid or expired)
 - Certificate of Citizenship
 - Certificate of Naturalization
- OR**
- **Document providing evidence of legal presence:**
 - Foreign passport with an IR-3 or IR-4 Immigrant Visa
 - Permanent Resident Card

(Documents presented are subject to verification using the Systematic Alien Verification for Entitlements System and the US Passport Verification System.)
