

Protect Yourself. Protect Your Ride.

Get Trained. Get Endorsed.

Dear (NAME):

Did you know you can be fined at least \$125 and have your motorcycle towed for riding without an endorsement?

In 2013:

- **70 percent of motorcycle crashes were caused by rider error**
- **More than half of all riders involved in crashes were not endorsed**
- **85 percent of riders killed had not taken a certified motorcycle training course**

Rider training is available for as low as \$25, and basic and returning rider courses are available. Some insurance companies even offer discounts after completing a certified motorcycle training course.

Take control of your safety by finding a training course or skills tester near you at

Michigan.gov/motorcycling.

Not paid for with state funds. Paid for with funding from the U.S. Department of Transportation.
