INTRODUCTION

The following records and their definitions are provided as a service from the Michigan Department of State (MDOS) in order for you, the record requestor, to better understand vehicle, watercraft, snowmobile, or moped records.

We have numbered each line of the record. A corresponding line number with an explanation is listed under the LINE-BY-LINE EXPLANATION PAGES showing what each item in the record means.

Any questions regarding the record can be answered by calling the Department of State Information Center at 1-888-SOS-MICH (1-888-767-6424).

Every motor vehicle, trailer coach, and trailer when driven or moved upon public roads is subject to registration and titling requirements under the Michigan Vehicle Code unless otherwise exempt. For information on exemptions check online for the Michigan Vehicle Code at <http://www.michiganlegislature.org> (Chapter 257 of the Michigan Compiled Laws) or contact the Department of State Information Center at 1-888-SOS-MICH (1-888-767-6424).

If a vehicle is abandoned on public property (18-48 hours), law enforcement or their designee may tag the vehicle for removal and/or arrange for the vehicle to be towed. If the vehicle is abandoned on private property, the property owner may arrange for immediate removal of the vehicle. Effective October 1, 2005, law enforcement and towing agencies have partnered with the Michigan Department of State (MDOS) to expedite the abandoned vehicle removal and notification process.

HOW TO READ THE MICHIGAN AUTO LOST & FOUND WEB SITE

<http://services.sos.state.mi.us/autolostandfound/>

To begin, select your search type, enter either the Vehicle Identification Number or license plate number and click "Submit." The VIN can be found on the vehicle's title, registration or certificate of insurance.

If the vehicle is located, results will display the year, make and VIN of the abandoned vehicle, where it was found, the date it was taken into custody, and where it is being held. Vehicle owner information is not included.

The screenshot shows a web browser window titled "Michigan Auto Lost & Found: Search for Vehicle - Microsoft Internet Explorer". The address bar shows the URL "http://services.sos.state.mi.us/autolostandfound/locator.aspx". The page content includes a search form on the left and a results area on the right.

In 1979 Michigan's salvage title law took effect. When a late-model vehicle suffers damage between 75% and 91% of its pre-damaged cash value it becomes a "distressed vehicle." The regular title is replaced with a salvage title. If the vehicle is damaged more than 91% of its pre-damaged cash value the title is replaced with a scrap title. The following is an example of a salvage title record. The same information would show on a scrap title record except the words ***SCRAP VEHICLE*** would show on line 4 of the record.

NOTES ABOUT SALVAGE AND SCRAP TITLE RECORDS

When a vehicle with a salvage title has been repaired or rebuilt, it cannot be used on-road or titled and plated as a regular rebuilt vehicle until it is recertified by a specially trained law enforcement officer.

A title that has been recertified for road use will show the following legend.

****THIS VEHICLE WAS PREVIOUSLY ISSUED A SALVAGE TITLE ****

Beginning July 1, 1994, a scrap title is issued to a vehicle that has one or more major component parts that have been wrecked, destroyed, damaged, stolen, or missing to the extent that the total estimated cost of repair (parts and labor) for the vehicle is 91% or more of its pre-damaged value.

A title that is issued under the scrap law will show the following legend.

****SCRAP VEHICLE****

Salvage titles are **ORANGE** in color.

Scrap titles are **RED** in color.

Regular titles are **GREEN** in color.

All watercraft on Michigan waters, including privately owned lakes and waterways, must be registered and display a decal except those specifically exempt. For information on exempt watercraft contact the Department of State Information Center at 1-888-SOS-MICH (1-888-767-6424).
