

## **Introducing New and Improved Testing Templates and Testing Manual**

The release of the “New and Improved” testing templates and Testing Manual contains:

- Updated Test Plan (SEM-602) Template
- Updated Test Type Approach and Report (SEM-603) Template
- New Test Case (SEM-606) Template - Optional template if your area doesn't already utilize one.
- Testing Process Guidebook (coming in the next several weeks!)
- Updated Express Templates (SEM Exp-01 and SEM Exp-02)

Note: The Checklists have been eliminated

Due to some of the changes in the above templates new releases of the following has also occurred:

- Updated Structured Walkthrough Meeting Record (SEM-0187)
- Updated Requirements Specifications (SEM-0402)
- Updated Requirements Traceability Matrix (SEM-0401)
- Updated Systems Engineering Methodology Guidebook
- Updated SEM Overview Diagram
- Updated SEM Express Guidebook
- Updated SEM Express Overview Diagram

The Testing Process Action Team is currently developing content for a Testing Workshop, so watch for that to be released sometime in late spring. If you have any questions please feel free to contact Amy Montgomery for questions.
