

MICHIGAN Letter of Intent to Participate in E-File and Substitute Forms Programs

All software developers that anticipate producing Michigan Department of Treasury (Treasury) computer-generated forms and/or tax preparation software must complete this form to participate in E-File and Substitute Forms Programs.

INSTRUCTIONS: Complete Parts 1, 2 and 3. Complete Part 4 for each tax type supported in Part 1. Page 1 must be submitted with the pages of all taxes you support. Software developers with limitations are required to provide PDF's or spreadsheets providing alternate test answers prior to testing. Submit completed form to **MIFormsEfile@michigan.gov**.

NOTE: Beginning with Tax Year 2015, Treasury is administering the Individual Income Tax (IIT) for the City of Detroit.

PART 3: AGREEMENT			
<p>Software companies submitting this application agree to the following:</p> <ol style="list-style-type: none"> 1. This company and its employees will comply with all publications and requirements specified by Treasury. See the Software Developer Secure Web Site for additional information. 2. TO NOT release draft tax forms to the public (includes release of draft forms on a company Web site). 3. Fully cooperate with Treasury, after notification, to promptly correct software program errors identified after completing e-file and forms testing, and to substantiate to Treasury that the errors were corrected, software was updated, and customers were notified. 4. Accept Treasury's decision as to whether a developer may continue to use the software program during the filing season. 5. Notify Treasury of any critical software problems identified by the developer after releasing products to customers. 6. Notify customers or clients of e-file mandates, if applicable. 7. Notify customers or clients of the computer hardware requirements, including printers, printer fonts, paper weight, etc., necessary to produce substitute tax forms. 8. Communicate with Treasury all software limitations — and receive approval of those limitations — before testing. <p>Software companies should be aware that violation of these terms could result in being prevented from participating in the early release and approval of tax forms and/or rejection of Michigan tax returns (e-file and paper) generated by their software and filed by their customers.</p>
