

## Michigan Department of Treasury New Business Webinar

Treasury is introducing a concept to meet the needs of new businesses. A web-based training presentation, focusing on Michigan Sales tax and Use taxes will be aired on Tuesday, July 10 at 9:00 am. The Webinar will be available for viewing from any personal computer with a high speed internet connection. Participants will be able to submit real-time questions to the instructors during the broadcast. The seminar is free.

New businesses that wish to participate should complete the registration form below and mail or fax as indicated. An e-mail may also be sent with the required information.

The web address as well as instructions for participating in this session will be provided to you within one week of the scheduled presentation.

A recorded version of the event will be available for viewing at a later date.
