Instructions for Fuel Advance Credit Repayment (Form 5084)

When prepaid sales tax on gasoline went into effect in January 1984, retailers and wholesalers were allowed to take an advance credit on their December 1983 gasoline tax return or sales tax return. The payment otherwise due on that return was reduced by the amount of the credit.

Make your check payable to the **"State of Michigan"** and mail to the address above. For assistance, call 517-636-6925. Assistance is available using TTY through the Michigan Relay Center by calling 1-800-649-3777 or 711.

When the taxpayer stops selling gasoline or goes out of business entirely, it is required to repay this advance within 15 days.
