2016 Second Governmental Agency Right of Refusal Parcel Listing

This listing is intended solely for local municipalities and county treasurers. These parcels are not available for public purchase.

By authority of Public Act 206 of 1893; MCL 211.78m, tax-foreclosed parcels may be purchased by governmental agencies under the following conditions:

A city, village or township may purchase any property located within that municipality by paying the State the minimum bid, minus any taxes levied by that city, village or township and any interest, penalties or fees owing to the municipality for those taxes.

If the local municipalities elect not to purchase the property, the county in which the property is located may purchase it by paying the State the minimum bid amount.

Please see the attached Governmental Agencies Offer List to review parcels that may be of interest to your governmental agency. Parcels are listed in alphabetical order by county name. Applicants should review the web cancellation list for parcel availability immediately prior to submitting an application, as parcel offerings may be cancelled at any time. Parcels may be subject to court-ordered redemption extensions, as noted below the local parcel number of affected parcels. Execution and delivery for deeds associated to such parcels will be delayed until redemption periods expire. Payment submitted for parcels that are subsequently redeemed will be refunded to the governmental agencies, upon State confirmation of tax payment.

To purchase property, your agency must submit a completed County or Local Unit of Government Purchase Application, along with evidence of deducted amounts, and certified payment by ***September 28, 2016***.

Questions regarding the application process may be directed to Roxanne Harris at the Foreclosure Services Section of the Michigan Department of Treasury, 517-241-3265, or by email at harrisr16@michigan.gov.
