

STATUTORY TAX COLLECTION DISTRIBUTION DATES 2010-2011

Section 43(3) (a) of PA 206 of 1893, the General Property Tax Act provides that local units of government with a state equalized value of more than \$ 15,000,000 shall, within 10 business days after the first and fifteenth day of each month, account for and deliver to the county treasurer and other tax assessing units, the tax collections on hand on the first and fifteenth day of each month. Although a township with a state equalized valuation of \$ 15,000,000 or less has different distribution requirements, it is recommended that all tax collecting units distribute tax collections on hand within 10 business days after the first and fifteenth day of each month.

The statutory 10 business days for the 2010-2011 tax distribution periods are:

The distribution dates for the State Education Tax (SET) are the same as all other distributions by the local tax collection units.

Section 43(10) provides that the county treasurer account for and deliver to the State, by the fifteenth day of each month, the State Education Tax on hand the last day of the preceding month. By the first day of each month, the county treasurer must remit the collections on hand on or before the fifteenth day of the immediately preceding month.
