

**STATE OF MICHIGAN
DEPARTMENT OF LABOR & ECONOMIC GROWTH
MICHIGAN TAX TRIBUNAL**

NOTICE OF JULY 2006 PREHEARING GENERAL CALL AND ORDER OF PROCEDURE

To the parties in the cases listed below:

Please be advised that the appeals listed below have been placed on a Prehearing General Call to commence on 07/03/2006 and continue through 07/28/2006, to be held at the Ottawa Building, 611 W. Ottawa, 2nd Floor, Lansing, Michigan, unless otherwise notified. Parties will be notified **either** in writing approximately one week before they are scheduled to appear **or** telephonically notified (orally or by facsimile) approximately 48 hours before they are scheduled to appear. Scheduling will not necessarily occur in the order in which the case appears on the General Call. If the parties are unavailable for particular dates within the General Call dates, the parties shall provide to the Tribunal in writing the Docket number, case name, and the dates they are unavailable. Although the Tribunal cannot guarantee avoiding the dates provided, every effort will be made to accommodate the parties' schedules.

Pursuant to TTR 252 and this Order, the parties are required to submit a valuation disclosure (i.e., an appraisal, appraisal record card, etc.) prior to the holding of their prehearing conference. Failure to submit a valuation disclosure as provided by this Order will result in the party or parties being placed in default. A valuation disclosure is defined as all documentary evidence or other tangible evidence which a party relies upon in support of their contention as to the property's true cash value or any portion thereof and which contains that party's value conclusion and data, valuation methodology, analysis, or reasoning in support of their contentions. See TTR 101.

Parties have the right to supplement or "augment" the valuation disclosures submitted as required by this Order through testimony as provided by TTR 283, but **DO NOT** have the right to submit any supplemental valuation disclosures unless otherwise ordered by the Tribunal.

IT IS ORDERED that the parties exchange and file valuation disclosures on or before 05/26/2006. **Failure to exchange and file valuation disclosures by the date indicated will result in default.**

IT IS FURTHER ORDERED that the parties exchange and file prehearing statements on or before 06/02/2006 as required by TTR 270. If either party is in need of a prehearing statement form, a copy may be obtained on the Tax Tribunal web site at www.michigan.gov/taxtribunal or by calling the Tax Tribunal at 517/3733003. **Failure to exchange and file prehearing statements by the date indicated will result in default.**

IT IS FURTHER ORDERED that if a valuation disclosure will not be performed due to the nature of the case, i.e., exemption, non-property, or taxable value at issue only, the Tribunal shall be notified within 20 days of the entry of this Order.

IT IS FURTHER ORDERED that if a case listed on this call is not scheduled for a prehearing date certain, the case may be scheduled for a prehearing date certain at any time subsequent to this call. Parties will, however, be notified in writing approximately one week before they are scheduled to appear **OR** telephonically notified (orally or by facsimile) approximately 48 hours before they are scheduled to appear.

Persons with disabilities requiring special accommodations for a scheduled hearing should contact the Tax Tribunal, at 517/2413333 (voice) and speak with the disability coordinator or 1-800-649-3777 (The Michigan Relay Center)(TDD) 14 days in advance of the first day of the General Call to ensure that proper accommodations can be provided.
