## USE TAX RETURN

Final determination of the correct tax liability is made by the Michigan Department of Treasury. You may be required to document your tax return or prove you are entitled to the exemption claimed. If you cannot support your claim, minimum penalties include the added tax, a negligence penalty, plus interest from the date of filing this application. Additional penalties can be imposed including criminal prosecution or assessing up to 175% of the tax due.

“A person who violates a provision of this section with intent to defraud or to evade...the payment of a tax, or a part of the tax, is guilty of a felony, punishable by a fine of not more than \$5,000, or imprisonment for not more than 5 years, or both.” Sec. 27, Public Act 162 of 1980.

**Exemption – Transfers Between Relatives:** An exemption from use tax is allowed when the new owner is the spouse, father, mother, brother, sister, child, stepparent, stepchild, stepbrother, stepsister, half brother, half sister, grandparent, grandchild, legal ward or legally-appointed guardian of the previous owner. Documentation proving the relationship may be requested by the Michigan Department of Treasury.

## THE SECTION PROVIDING FOR PAYMENT OF TAX IS COMPLETED AS FOLLOWS:
