Topic: Continuing Education Requirements

Dear STaCy,

Help. I just got this letter that I have not met my continuing education requirements. I'm pretty sure I did. I know how busy Kelli Sobel and Nancy Armstrong are, is there someone else I should be calling to get this straightened out?

Thanks,
Ed Continuation

Dear Mr. Continuation:

Great question and yes Nancy and Kelli are extremely busy right now. You can call Barb Duncanson at 517-373-8320 directly to get any questions answered.

Sincerely,
STaCy
