Section 211.154 items

DOCKET #	FILED BY	PROPERTY OWNER	LOCAL UNIT	COUNTY	YEARS	REASON	STAFF RECOMMENDATION
154-16-0049	TP	MARY LENERVILLE-HARRIS	C-Taylor	Wayne	2014, 2015	This is an taxpayer-filed petition claiming that the home is "unlivable."	Staff recommends dismissal of the matter as a valuation issue which must be filed with the MTT. The Staff recommendation is based both on lack of jurisdiction to lower a taxable value and on the fact that the matter is a valuation issue. See 3-17-16 memo.
