**City, Village, and Township Revenue Sharing
Fiscal Year 2015
Detailed Guidance**

For fiscal year (FY) 2015, the legislature established the City, Village, and Township Revenue Sharing (CVTRS) program (a simplified version of the Economic Vitality Incentive Program (EVIP)). Each eligible local unit must meet all of the requirements of Accountability and Transparency in order to receive the full CVTRS payments. A Consolidation of Services Plan and an Unfunded Accrued Liability Plan are not required under the CVTRS program.

If a city's, village's, or township's FY 2010 statutory payment was greater than \$4,500, the local unit will be eligible to receive a "*Percent Payment*" equal to 78.51044% of the local unit's FY 2010 statutory payment. If a city's, village's, or township's population is greater than 7,500, the local unit will be eligible to receive a "*Population Payment*" equal to the local unit's population multiplied by \$2.64659. Cities, villages, or townships that had a FY 2010 statutory payment greater than \$4,500 and have a population greater than 7,500 will receive the greater of the "*Percent Payment*" or "*Population Payment*".

Program Requirements

- I. To qualify for CVTRS payments, a local unit must complete the following by the qualifying date:
 1. Make required documents available for public viewing in the city, village, or township clerk's office or post them on a publicly accessible Internet site.
 2. Provide to Treasury the required documents (see below).
- II. Required Documents
 - a. Certification of Accountability and Transparency (form 4886)
 - b. Citizen's Guide (minimum General Fund)
 - i. Most recent local finances
 - ii. Recognition of unfunded liabilities
 - c. Performance Dashboard
 - d. Debt Service Report (all funds)
 - i. Issuance date by debt instrument
 - ii. Issuance amount by debt instrument
 - iii. Type of debt instrument
 - iv. A listing of all revenues pledged to finance debt service by debt instrument
 - v. A listing of the annual debt service payment amounts

- e. Projected Budget Report (minimum General Fund)
 - i. The current fiscal year projected revenues and expenditures
 - ii. The immediately following fiscal year projected revenues and expenditures
 - iii. An explanation of the assumptions used for the projections

III. Due Date

- a. **December 1, 2014** – to receive full CVTRS payments
- OR
- b. February 1, April 1, June 1, or August 1 – to receive reduced CVTRS payments

IV. Payment Information

- a. All eligible local units will receive 1/6 of the payment on the last business day of October without submitting documentation
- b. If required documents are submitted on or before December 1, 2014;
 - i. Receive 1/6 of the CVTRS payment on the last business day of December, February, April, June, and August
- c. If required documents are submitted after December 1, 2014, but by the first day of a payment month (February, April, June, and August);
 - i. December payment forfeited
 - ii. Remaining CVTRS payments will be forfeited unless the required documents are received by the first day of a payment month. If Treasury receives the documents by the first day of a payment month, 1/6 of the CVTRS payment will be received on the last business day of each payment month thereafter.

Additional Information

Detailed information can be found in Section 952 of 2014 Public Act 252 (enclosed) or on the Michigan Department of Treasury website http://www.michigan.gov/treasury/0,4679,7-121-1751_2197_58826---,00.html.

Enclosed is a listing of all eligible cities, villages, and townships including the projected CVTRS payment amount for each local unit.

Any local unit that falsifies certification documents shall forfeit any future CVTRS payments and shall repay the State all CVTRS payments it has received.

House Bill 5313

City, Village, and Township Revenue Sharing (CVTRS)/County Incentive Program (CIP)

Sec. 952. (1) The funds appropriated in part 1 for city, village, and township revenue sharing are for grants to cities, villages, and townships such that, subject to fulfilling the requirements under subsection (3), each city, village, or township that received a payment under section 950(2) of 2009 PA 128 greater than \$4,500.00 is eligible to receive a payment equal to 78.51044% of its total payment received under section 950(2) of 2009 PA 128 or for each city, village, or township with a population in excess of 7,500, notwithstanding whether it received a payment greater than \$4,500.00 under section 950(2) of 2009 PA 128, a payment equal to the population of the city, village, or township multiplied by \$2.64659, whichever is greater, rounded to the nearest dollar. Payments under this section to cities, villages, or townships that did not receive a payment under section 950(2) of 2009 PA 128 greater than \$4,500.00 are 1-time payments for which eligibility is based on a presumed level of local services provided. For purposes of this subsection, any city, village, or township that completely merges with another city, village, or township will be treated as a single entity, such that when determining the payment received under section 950(2) of 2009 PA 128 for the combined single entity, the amount each of the merging local units received under section 950(2) of 2009 PA 128 is summed. For purposes of this subsection, population is determined in the same manner as under section 3 of the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.903. In addition, any city or village that according to the 2010 federal decennial census is determined to have population in more than 1 county shall be treated as a single entity when determining the payment received under section 950(2) of 2009 PA 128.

(2) The funds appropriated in part 1 for the county incentive program are to be used for grants to counties such that each county is eligible to receive an amount equal to the amount by which the balance in its revenue sharing reserve fund under section 44a of the general property tax act, 1893 PA 206, MCL 211.44a, for the county's most recent fiscal year that ends prior to the January 1 of the state's fiscal year is less than the amount calculated under section 44a(13) of the general property tax act, 1893 PA 206, MCL 211.44a, for the county fiscal year that begins in the state's fiscal year. The amount calculated under this subsection shall be adjusted as necessary to reflect partial county fiscal years and prorated based on the total amount appropriated for distribution to all eligible counties. Except as otherwise provided under this subsection, payments under this subsection will be distributed to an eligible county subject to the county's fulfilling the requirements under subsection (3).

(3) For purposes of accountability and transparency, each eligible city, village, township, or county shall certify by December 1, or the first day of a payment month, that it has produced a citizen's guide of its most recent local finances, including a recognition of its unfunded liabilities; a performance dashboard; a debt service report containing a detailed listing of its debt service requirements, including, at a minimum, the issuance date, issuance amount, type of debt instrument, a listing of all revenues pledged to finance debt service by debt instrument, and a listing of the annual payment amounts; and a projected budget report, including, at a minimum, the current fiscal year and a projection for the immediately following fiscal year. The projected budget report shall include revenues and expenditures and an explanation of the assumptions used for the projections. The citizen's guide, performance dashboard, debt service report, and projected budget report shall be made available for public viewing in the city, village, township, or county clerk's office or posted on a publicly accessible Internet site. Each city, village, township, and county applying for a payment under this subsection shall submit a copy of the citizen's guide, a copy of the performance dashboard, a copy of the debt service report, and a copy of the projected budget report to the department of treasury. The department of treasury shall develop detailed guidance for a city, village, township, or county to follow to meet the requirements of this subsection. The detailed guidance shall be posted on the department of treasury website and distributed to cities, villages, townships, and counties by October 1.

2014 Public Act 252

House Bill 5313

City, Village, and Township Revenue Sharing (CVTRS)/County Incentive Program (CIP)

(4) City, village, and township revenue sharing payments and county incentive program payments are subject to the following conditions:

(a) The city, village, township, or county shall certify to the department that it has met the required criteria for subsection (3) and submitted the required citizen's guide, performance dashboard, debt service report, and projected budget report as required by subsection (3). A department of treasury review of the citizen's guide, dashboard, or reports is not required in order for a city, village, township, or county to receive a payment under subsection (1) or (2). The department shall develop a certification process and method for cities, villages, townships, and counties to follow.

(b) Subject to subdivisions (c), (d), and (e), if a city, village, township, or county meets the requirements of subsection (3), the city, village, township, or county shall receive its full potential payment under this section.

(c) Cities, villages, and townships eligible to receive a payment under subsection (1) shall receive 1/6 of their eligible payment on the last business day of October, December, February, April, June, and August. After the specified due date for subsection (3), payments shall be made to a city, village, or township only if that city, village, or township has complied with subdivision (a).

(d) After the specified due date for subsection (3), payments shall be made to a county only if that county has complied with subdivision (a).

(e) If a county does not provide the required certification or fails to submit the required citizen's guide, performance dashboard, debt service report, and projected budget report by the first day of a payment month, the county shall forfeit the payment in that payment month.

(f) Any city, village, township, or county that falsifies certification documents shall forfeit any future city, village, and township revenue sharing payments or county incentive program payments and shall repay to this state all payments it has received under this section.

(g) City, village, and township revenue sharing payments and county incentive program payments under this section shall be distributed on the last business day of October, December, February, April, June, and August.

(h) Payments distributed under this section may be withheld pursuant to sections 17a and 21 of the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.917a and 141.921.

(5) The unexpended funds appropriated in part 1 for city, village, and township revenue sharing and the county incentive program shall be available for expenditure under the program for financially distressed cities, villages, or townships after the approval of transfers by the legislature pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
