

State Tax Commission February 10, 2010 Tip (2)

Topic: Level 3 Educational Requirements

Dear STaCy,

Ok, so I am a level 2 and have taken 5 of my level 3 classes. What do these changes announced yesterday by the STC mean to me?

Respectfully,
In. Query

Dear Mr. Query:

At this point, the Committees have not made any recommendations to changes in the level 3 or level 4 programs. While we do anticipate changing those programs in the future, we certainly will recommend to the STC that they take into consideration those individuals who have started work on their next level and make some accommodation for the work already complete. Keep working on your level 3!

Sincerely,
STaCy
