**Topic: New Education and Certification Program – Part 10,000**

Dear STaCy,

I have to admit I am confused. The new education and certification programs don't affect my signing the assessment roll in a couple of weeks do they? Just want to make sure my ducks are all in a row.

Sincerely,  
Ms. Daisy D. Worried

Dear Ms. Worried,

You are correct, the new requirements do not affect an assessor's ability to sign an assessment roll this March. The new certification requirements begin with the 2011 year. Stay tuned for future Dear STaCy's for more detail on the implementation and rollout of the new programs.

Sincerely,  
STaCy
