**Topic: Certifying the Assessment Roll – Form L-4037**

Dear STaCy,

I heard that there is a new version of the L-4037 form that we have to use when certifying the assessment rolls for 2011 – is this true?

Thanks,  
Cindy Certifier

Dear Cindy:

You are correct. A new form was developed by our amazing Certification Advisory Committee to be used beginning with the 2011 assessment rolls. Make sure you visit the STC website, under forms, local government official's forms, the L-4037 aka the 2691 form.

Sincerely,  
STaCy
