

STATE OF MICHIGAN  
DEPARTMENT OF TREASURYRICK SNYDER  
GOVERNORNICK A. KHOURI  
STATE TREASURER

**DATE:** November 30, 2015

**TO:** Ken Osborne, Legislative Liaison

**FROM:** Suzanne Schafer, Administrator  
Local Government Financial Services Division

**SUBJECT:** Reports to Legislature

Public Act 140 of 1971, the Glenn Steil State Revenue Sharing Act (PA 140), specifically Section 21(3), states:

The department of treasury shall notify each house of the legislature of any local unit of government that fails to provide a financial report or an audit required by subsection (1) and of any local unit of government required to file a financial plan under subsection (2).

In accordance with the PA 140, attached are the following reports:

1. As of October 23, 2015, units of local government that filed an audit past the due date (late) or have not yet filed as required by Public Act 2 of 1968, as amended, the Uniform Budgeting and Accounting Act, Section 7 (Page AUDIT-01 thru AUDIT-07.)
2. As of October 23, 2014, units of local government that were required to file a financial plan under Section 21(2) of PA 140, the Department refers to these plans as deficit elimination plans. Section 21(4) of PA 140 defines a deficit to mean "total expenditures, including an accrued deficit, exceeded total revenues for that fiscal year, including any surplus carried forward" without regard to a specific fund, i.e., an aggregate deficit. However, the attached report breaks out units of local government with a deficit in the general fund as this is the area of greatest concern. The remainder of the deficit elimination plan report indicates units of local governments that have deficits in one or more funds other than the general fund (Page DEFICIT-01 thru DEFICIT-04.)
3. As of October 23, 2015, units of local government that filed a financial report (Annual Local Unit Fiscal Report-F65) past the due date (late) or have not yet filed as required by Public Act 2 of 1968, as amended, the Uniform Budgeting and Accounting Act, Section 4 (Page F65-01 thru F65-10.)

The data in the reports for the local units of government identified in item #1 and #2 are based on the local unit's fiscal year ending 2014. Both the audit report and deficit elimination plan are due within six months after the end of the local unit's fiscal year. Therefore, both were due to the Department of Treasury between July 1, 2014 and June 30, 2015. The Annual Local Unit Fiscal Report filings are reported on a calendar year basis at the request of the U.S. Census Bureau. Therefore, the report covers a filing period of January 1, 2014 through December 31, 2014 encompassing fiscal years ending between July 1, 2013 and June 30, 2014.
