Topic: Assessor Continuing Education Requirements

Dear STaCy,

I am really confused about my continuing education requirements so I can recertify for 2013. Why can't I find the list of mandatory classes and what do I need to do to get recertified?

Thanks,

T.M. Girly

Dear Ms. Girly:

Your requirements to be able to recertify for 2013 are pretty simple: between November 1, 2011 and October 31, 2012 you need to take 10 hours of continuing education through elective classes. There is **NO** mandatory requirement for 2013.

You should have received in the mail a Bulletin from the STC in August of 2011 that detailed your requirements. Also, there was a yellow form in the envelope with your certificate for 2012 that also detailed the requirements. Finally, the Bulletin is on the STC website – Bulletin 8 of 2011.

Sincerely,

STaCy
