VERIFICATION INFORMATION - A request for a verification of a Michigan divorce record will be returned to you stamped with an indication that a record was identified which matched the supplied facts, or that no record could be identified which matched the supplied facts. State law (MCL 333.2881(2)) allows for verification of ONLY name of the subject(s) of the divorce record, date of divorce, place of divorce and filing date (date the record was originally filed or received by the local registrar – not date of issuance).
