

STATE OF MICHIGAN
MICHIGAN ADMINISTRATIVE HEARING SYSTEM

RICK SNYDER
GOVERNOR

MICHAEL ZIMMER
EXECUTIVE DIRECTOR

November 15, 2012

Effective Monday, November 19, 2012, any claim with an alleged injury arising in Lapeer County will be heard at the Pontiac Workers' Compensation Agency, located at 28 N. Saginaw, Oakland Towne Center, Pontiac, MI 48342. Conferences or hearings previously scheduled for the Flint Agency, on the Lapeer County cases, will now be heard at the Pontiac Agency on the currently scheduled date. Any correspondence regarding these files should be directed to the Pontiac Agency after November 19, 2012.

For any claim with an alleged injury arising in Genesee County, that claim will be maintained at the Flint Agency for the immediate future. If you have received a notice or otherwise been advised that the claim has been moved, please disregard such notice.

Due to the short notice of this change, all attorneys should advise their clients as to where they should report for the next scheduled hearing, as there is not sufficient time to send notices to all parties.
