Re: Notification Under the Worker Adjustment and Retraining Notification (“WARN”) Act and M.C.L.S. § 450.736

Dear Ms. Beckhorn:

This letter is to notify you that Apothecary Products, LLC (“Apothecary”) will conduct a “plant closing,” as defined by the federal Worker Adjustment and Retraining Notification (“WARN”) Act, by terminating its employees currently working at and reporting into its Michigan facility, located at 5401 South Graham Road, St. Charles, MI 48655. The resulting employment terminations are expected to be permanent.

All terminations are expected to become effective on April 3, 2015. If any become effective sooner, those employees will receive pay and benefits during the remainder of the 60-day notice period. Although no “bumping rights” exist at Apothecary, Michigan employees are encouraged to apply for positions for which they are qualified at our Minnesota facility.

The job titles of the positions affected by this “plant closing” on April 3, 2015, and the number of employees in each such position, are as follows:

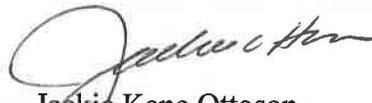

AFFECTED POSITION	NUMBER OF EMPLOYEES
<u>ASI Assembly/Cust. Service</u>	<u>6</u>
<u>Buyer</u>	<u>1</u>
<u>Homeworker</u>	<u>17</u>
<u>HR Representative</u>	<u>1</u>
<u>Inventory Control</u>	<u>1</u>

<u>Maintenance Asst.</u>	<u>2</u>

<u>Shipping Asst.</u>	<u>2</u>
<u>Supervisor</u>	<u>8</u>

<u>General Manager</u>	<u>1</u>
<u>Total</u>	<u>67</u>

The employees at the Michigan facility are not represented by a labor organization.

The name and telephone number of the company official to contact for further information is Jackie Ottoson, VP Human Resources, at (952) 808-8302.

Very truly yours,
