Education & Career Success Division Michigan Works! Agency GED Manager™ User Agreement

The users of GED Manager™ overseen by the Talent Investment Agency/Workforce Development Agency (TIA/WDA) agree to comply with all of the following conditions:

- In my role as the Michigan Works! Agency Director, I request access to GED Manager™ for the individual(s) listed on page 2 titled “GED Manager™ Access Request and Authorization.” The individuals listed have duties and responsibilities that require access to the Jurisdictional test-taker records in GED Manager™ and I authorize the TIA/WDA GED® Office to notify the GED Testing Service, LLC to grant these individuals access to the Jurisdiction’s test-taker records through GED Manager™. If any of the individual’s duties or responsibilities change so access to GED Manager™ is no longer required by them, I shall promptly notify the TIA/WDA GED® Office so the individual’s user account is disabled and access terminated.
- Michigan Works! Agency Directors are responsible for maintaining local computer and web access security to prevent unauthorized access to GED® records via the GED Manager™ system. Unauthorized personnel may not use local user access passwords.
- No GED® testing or certification information on the GED Manager™ system may be reviewed or distributed without the written permission of the GED® candidate.
- Failure to comply with this user agreement shall result in the immediate suspension of user access to the GED Manager™ system and suspension of GED® test center approval status.

I have read this user agreement and will comply with all GED Testing Service, LLC and TIA/WDA GED Office requirements.
